WILLIAM OVERFELT HIGH SCHOOL

Vol. I SAN JOSE, CALIF., MONDAY, SEPT. 17, 1962 No. 1

Overfelt High Named For East Side Pioneer

Mr. Overfelt was born in 1826 in Missouri. He left Missouri in the spring of 1849 as a pioneer in the gold rush days. Like other pioneers

effort established himself financially independent.

As a single man himself, Mr. Overfelt decided that a school for the Penitencia Creek area children was needed. Therefore, he donated one acre of his land for a school.

In due time Mr. Overfelt married, sold his Berryessa ranch and obtained 140 acres on McKee Road where he established the present Overfelt ranch. Along with two of his neighboring ranchers he established and made available to all of the area children a school, the first free public school on the East Side. Mr. Overfelt was made one of the first trustees.

Miss Mildred L. Overfelt, being the only direct living descendant of Mr. William C. Overfelt, who died in 1875, still resides and owns the original ranch on McKee Road and was a teacher and then a member of the board of trustees of the Pala School District.

he tried his hand in gold mining near Placerville and in Mariposa County where with much work and

COMPLETION DATE SET

According to the project superintendent Tom O'Neal, completion date for W. C. Overfelt is December 15th. If this deadline is met, Overfelt should be ready for occupation after Christmas vacation.

The delay in the building of the high school was caused by a labor strike earlier this year.

Overfelt has already gained recognition for its fine architecture. The air-conditioning, round buildings and general layout of the school have been especially noticed.

W. C. Overfelt will also have two classrooms with carpeting. The carpeting has been donated as part of

an experiment that was proved successful in another state.

This summer a group of 70 educators from various parts of the United States visited W. C. Overfelt as part of their two-week tour of new schools that are different in design and architecture throughout the nation. District Superintendent Mr. Frank Fiscallini told the educators of the planning of the high school.

Mr. Lou Harbor, Educator, Is New Principal

Opening a new school is no new experience to Mr. Lou Harbor. He joined the East Side District upon its opening in 1950. His first position in the brand new James Lick High School was that of a Business Education teacher.

Mr. Harbor was Dean of Students for six years at Lick.

The second school whose opening Mr. Harbor had a part in was Andrew Hill. In this opening he had the leading role. He was principal of Andrew Hill for four years.

He will be starting off the new year at Overfelt as principal.

Mr. Harbor is a graduate of U.S.C. with a B.A., and Kent State in Kent, Ohio, with an M.A.

Mr. Harbor has lived in the East Side School District ever since 1950.

Meet Mildred Overfelt

By LINDA LEBSCH
and DOROTHY PETRICK

Although most Royals are familiar with the fact that our school, William C. Overfelt, was named for an Eastside pioneer of education, very little has been mentioned about William C. Overfelt's family, goals and personal life. To find out more about Mr. Overfelt and the educational facilities at that time, Miss Mildred Overfelt, the only living daughter of Mr. Overfelt, was interviewed.

Miss Overfelt pointed out that in the 1850s and 1860s public education was not available to the children on the Eastside. Mr. Overfelt had already donated land for a school in the Berryessa district. However, when he moved to McKee Road, he and two neighbors, Mr. McKee and Mr. Wood, founded the first public school on the Eastside.

First Eastside Public School

This school, located in the present Pala district, was a one-room structure which held all eight grades. Miss Overfelt and her four brothers and sisters attended that

school, and Miss Overfelt later taught there herself. She taught 54 pupils ranging from first to eighth grade. Miss Overfelt became aware that the students had no games or recreation equipment to play with at school, and with her own money, purchased a bat and ball and a croquet set for her pupils. As Mr. Crocker, Miss Overfelt's business manager put it, "Miss Overfelt was actually responsible for starting the first athletic program on the Eastside."

Miss Overfelt feels quite certain that her father would have been very proud of the progress that has been made in education and of the high school that has been named in honor of him. She said that he was a very strict, fair and religious man. At the Overfelt ranch, work was never done on Sunday. She still carries out that wish of her father every Sunday on her ranch.

Superintendent of Schools

Welcome to the students of the newly formed William C. Overfelt High School. We want you to enjoy and appreciate the great task of building new traditions and ideals for your school. You will be "driving behind the wheel" with all its activities and traditions help William C. Overfelt High School to be a school of which we can all be very proud. This can be done only by your ability, enthusiasm, cooperation and fine citizenship.

To receive the greatest benefit for stay at Overfelt High School, you must not only do your best in the classroom but I urge you to participate in the well balanced co-curricular activities. Your participation in sports, athletics, school paper, yearbook and other student government activities will give you a wonderful opportunity to develop your personality, your sense of responsibility and most of all, how to get along with your fellow students.

We are beginning a new adventure together. Like all adventures there will be thrills, fun, and school spirit. But we also know there will be problems and work. Using James Lick as a temporary school is just one of the problems we must face. We will look to the future when we move into our new facilities and enjoy the thrill of making a new high school come alive with the pulsating spirit of the students.

The decisions you make this first year will probably have more influence on the future of our Overfelt High School than all of those to follow.

Best wishes to each of you for your happiness and success at Overfelt High School.

A very capable teaching and administrative staff has been provided for your instruction and guidance.

Due to circumstances beyond our control, the staff and student body of W. C. Overfelt High School must share quarters with James Lick High School for the first couple of months of this school year. It now appears that the W. C. Overfelt High School will be completed about the middle of December.

The student body of W. C. Overfelt High School will have a golden opportunity to develop meaningful

and worthwhile traditions. You are encouraged to work hard and make certain that your school rapidly becomes a leader, in all fields, among the high schools of the area.

A very capable teaching and administrative staff has been provided for your instruction and guidance.

Be mindful of the many opportunities available to you and take advantage of the expert assistance the staff can provide.

We know that you took forward

with pride and determination to

make this year, your first at Over-

felt, a truly successful and profit-

able experience.

May we take this opportunity to

extend our best wishes for a very

happy and successful school year.

If You Ask Us

Are you feeling a little bewildered and confused? If so, you're one of 1,700 other Royals who feel this way too.

Perhaps you were one of the hundreds of students who tried to get in or out of the parking lot around noon today? Maybe you were the Royal who was sent to the Dean of Students and spent the entire third period looking for his office? Or did you wait patiently in the milk shake line all B period and then barely put your change away when the bell rang, leaving you with one slightly used milk shake?

Although these problems, and others far more serious, will face us for several months, we can make these months an example of the Royals' spirit and enthusiasm. The stay at Lick can be the first of many opportunities to make William C. Overfelt high school known as one of the best schools in the Valley, with or without a building of our own!

Our crest has a meaning for us all. The Book and Torch represent Scholarship, the Royal Lion represents Strength, the Knight's Helmet represents Courage and Chivalry, and the Castle represents our School.

MAN OF THE YEAR

DEDICATION

Mr. Lundstedt Selected as Man of the Year

Mr. Lundstedt had been principal at Overfelt for nine years. He first started at the Big "O" as a teacher and water polo coach. He then transferred to Mt. Pleasant where he was head of the history department. A second transfer to Oak Grove soon followed. He came back to Overfelt to become Assistant Principal of Administrative Services. Three years later he became Assistant Principal of Educational Development, and two years later he became principal.

A well-educated man, Mr. Lundstedt graduated from Poly Tech High School. He attended San Mateo Junior College and transferred to the University of San Francisco where he graduated with honors.

During high school Mr. Lundstedt was a member of two championship football teams. He played guard and earned all-city honors.

A true outdoorsman, Mr. Lundstedt enjoys hunting. He is an excellent fisherman and very experienced skier.

Mr. Lundstedt and his wife Beverly live in the Blossom Hill area of San Jose. He has five children, one son and four daughters.

As principal Mr. Lundstedt supported the development of new programs in math, English, and reading. During his time as principal there has been a great deal of improvement in state test scores.

We, the 1982 CITADEL staff, are proud to dedicate this special anniversary issue to Mr. Ronald L. Lundstedt.

- 1 Mr. Lundstedt's door is always open to students and faculty.
- 2 As he appeared in his 1947 high school graduation picture, Mr. Ronald Lundstedt.
- 3 From 1969 to 1971 Mr. Lundstedt was our Assistant Principal of Administrative Services.

Happy birthday, Overfelt High School. On Feb. 4 you will be
exactly one year old.

Overfelt High School, but we attended classes at James Lick, rallies and assemblies at James Lick, and games at James Lick. We were treated as a student body, but we needed a home.

When we saw you for that first time almost a year ago, you were empty, unfinished, and lifeless. Now you are the home of a student body—a proud, spirited student body.

It took more than a few plants and your name, "W. C. Overfelt," to make you our home. It took couples walking through your halls on the way to a dance, students racing into your classes to the "beep" of the tardy bell, happy rooters running in from your fields after a

The Big Move, as we called it, is just a memory to the Royals. Still through our pride and spirit we can agree with the sign that greeted us last Feb. 4, "Home At Last."

Happy birthday, Overfelt High School.

BOARD OF EDUCATION—

Fiscalini resigns

Dr. Frank Fiscalini, who has been superintendent of the ESUHSD for 25 years, gave up his post to take over as president and chief executive officer of Alexian Brothers Hospital

Dr. Fiscalini has served the ESUHSD well. He has been considered an efficient administrator and has guided the ESUHSD from one small school to one of the largest high school districts in the state. As superintendent he oversaw a \$60 million budget and 1,500 employees. Dr. Fiscalini was respected by parents, teachers, and students. He will be surely missed

Principal's Message

Twenty years ago your principal had the honor of being one of the original Overfelt teachers. He was a young man starting his career in education as a Social Science teacher in the newest, most innovative school facilities in the country. That year people from all over the United States came to visit and the future seemed bright.

Over the years I have seen many changes take place and our school, like all schools, has had its high and low times. The opening of Mt Pleasant, Oak Grove, Silver Creek, and Yerba Buena saw our student body split and our staff moved into the new schools. Half of the principals of the East Side Union High Schools were once on the Overfelt staff.

Great Overfelt traditions have been established over the years. Successful scholars and athletes have made their mark in the world. Few schools can boast of presidential scholars, world record Olympic champions, and world champion super bowl quarterbacks as former students. We can!

Overfelt's past has been great and the future still seems bright. This has been, is, and always will be a great school.

I am personally very proud of my association with the school, staff, and students, and assure you that this indeed is a school of which we all can be proud.

HAPPY 20TH BIRTHDAY, OVERFELT

RON LUNDSTEDT, the principal of our school, has been with us for 17 years. He is a graduate of the University of San Francisco with an M.A. in History. Mr. Lundstedt was also a former All-City Football Player from San Francisco.

Who played varsity football and baseball in college? DR. REUBEN TRINIDAD, Overfelt's newest Associate Principal, has done this and much more! He received his B.A. and M.A. at the University of Colorado and he received his Ph.D. from the University of Northern Colorado. His favorite saying, "Enjoy people of all ages," reflects his care for people.

MR. PAUL M. WILSON is a twenty year veteran at Overfelt. He was here when the school first opened. Mr. Wilson went to Cal Poly and San Jose State University. He graduated from California State Polytechnic University. He has a B.S. in Mathematics and M.A.'s in both Math and Education. Paul Wilson did not coach any sports this year, but he was an advisor for a few clubs and classes.

"You got it Jack," is SAMUEL L. DAVIS'S favorite saying. He is a graduate of San Jose State with an M.A. in History. He was an All-American in Track and Field and a member of the 1968 Olympic Team.

MR. FLOYD D. SEITZ is the Title 1 coordinator for our school. He attended Emporia State University where he obtained his M.S. in Business Education. Mr. Seitz also has Secondary Teaching and Administration (life) credentials.

RICHARD ESPARZA was one of the coaches for the high school state wrestling champions 1978-79. He is also an advisor of the La Raza Unida Club. Mr. Esparza is a graduate of San Jose State University with a B.A. in Industrial Education. He also has a teaching credential.

COUNSELING

People helping people

The counseling department consist of people with diverse backgrounds, cultures, and experiences. Every member of the counseling staff holds a M.A. degree in counseling psychology.

The major goals of the counseling staff is to improve the quantity and quality of counseling and guidance. The guidance staff is working to improve student social, personal, career, and educational development.

DIEGO CERTA is our head counselor this year, and well deserved. He has been here 11 years. He is a University of Santa Clara graduate and holds an M.A. in counseling psychology. Mr. Certa was born in Sicily and has traveled and lived in South America. His favorite saying is, "Nos Cubris Glutus Est," and he was also one of this year's varsity football coaches.

MRS. BORELLO has been here at Overfelt since it opened in 1962. She attended San Jose State University and graduated with a A.B. and an M.A. Her major was Physical Education and her minor was Biological Science. Ms. Borello has Pupil Personnel and Administrative credentials, and has recently become a counselor.

MR. JOHN CALI played college football on a football scholarship while studying for his B.A. in Physical Education at Idaho State. He did his graduate work at San Jose State University where he obtained his M.A. degree in Counseling. Presently, Mr. Cali is still very active in sports and was a coach for the Varsity Football Team. He also was an advisor to the C.S.F. Club.

"Life is worth living," is RON FEGCASENZA's favorite motto. He is a Vietnam veteran and is presently the advisor of the National Honor Society. Mr. Egcasenza holds a B.S. degree in business from the University of Santa Clara and an M.A. in education from San Jose State.

"You can if you think you can," is what KAREN MATHIS often says. She was an advisor for both the Class of '84 and the B.S.U. this year. Mrs. Mathis will graduate alongside the Seniors this year, but obviously not from Overfelt. She will receive her M.A. degree in Business from San Jose State University, June, 1982.

"Hang loose," is PAUL LO's favorite saying, which is no surprise since he graduated from the University of Hawaii. He received his M.A. from San Jose State University in Education. He has been here since the school opened (20 years) and he states he still has the motivation and energy to go.

MRS. IRMA GONZALEZ-MORALES, former Overfelt graduate, is a first year counselor. While a student here she earned a perfect 4.0 GPA. She was one of the first persons selected for the Overfelt Wall of Fame. Mrs. Morales attended both the University of Santa Clara and the University of California. She has an M.A. degree in Social Welfare and a Pupil Personnel Service credential.

Kamikaze pilots trained here

With the introduction of shift cars many driving instructors felt that students were out to kill them. After a few sore necks, students usually were able to master the shift car.

"Money cannot buy happiness, but it comes damn close," is DUANE MORGAN's philosophy. He is a graduate of San Jose State University with a B.S. degree in physical education. Mr. Morgan is the head coach for the Varsity Wrestling and J.V. Softball Teams. Besides coaching, he also is the advisor for the Royal Dons.

Preparing students for tomorrow

With classes in typing, accounting, shorthand, and office practice, students learn the skills that will prepare them for the world of work.

DOUGLAS DOSS graduated from California State University at Hayward with a B.S. in Business Administration.

"It all pays the same," is his favorite saying. He was also the couch and advisor of the Rifle Club and enjoys motorcycles, ice hockey, and do-it-yourself.

We have a TV star here at W.C.O. It is MRS. CHARLOTTE PROUGH. She appeared twice on Family Feud. Mrs. Prough attended Indiana University but received her B.A. degree in French from San Jose University. Mrs. Prough has spent two summers in France and teaches dancing on Monday and Wednesday evenings.

CLAUDIA TORANO believes that "If you're going to do something, do it right." She raises and shows registered quarter horses. She is also a graduate of San Jose University with a B.A. in Business Education.

- 1 Practicing her switchboard skills is Corine Romeo.
2. Herky jerky cars, strained necks, and frustrated students are a frequent sight. Honey Padilla and Erica Barrientos take their first ride in a shift car.

LANGUAGE ARTS

Text by Brunst, Torres adopted

The ESUHSD adopted a text written by Preston Brunst and Suzanne Torres. The text may be used in IC and IB classes throughout the district.

The Language Arts Department has a well defined curriculum that allows students to work through the program at their own pace. Most importantly the staff's desire to work with students is unsurpassed.

PRESTON BRUNST is an eleven year veteran of teaching. He graduated from San Jose State University with a B.A. in English. While a reading teacher he developed Patterned Reading, a method used to teach phonics to students. He is currently teaching Language Arts III and working as a resource teacher for the Language Arts Department.

The Basic Skills Office could not function without secretary Al Smith. Betty Ausborne helps the Language Arts department run smoothly.

JOAN WATERS has been with us for ten years and was the cheerleader advisor this year. She is also a graduate of San Jose State University where she majored in physical education. She is also qualified as a reading specialist.

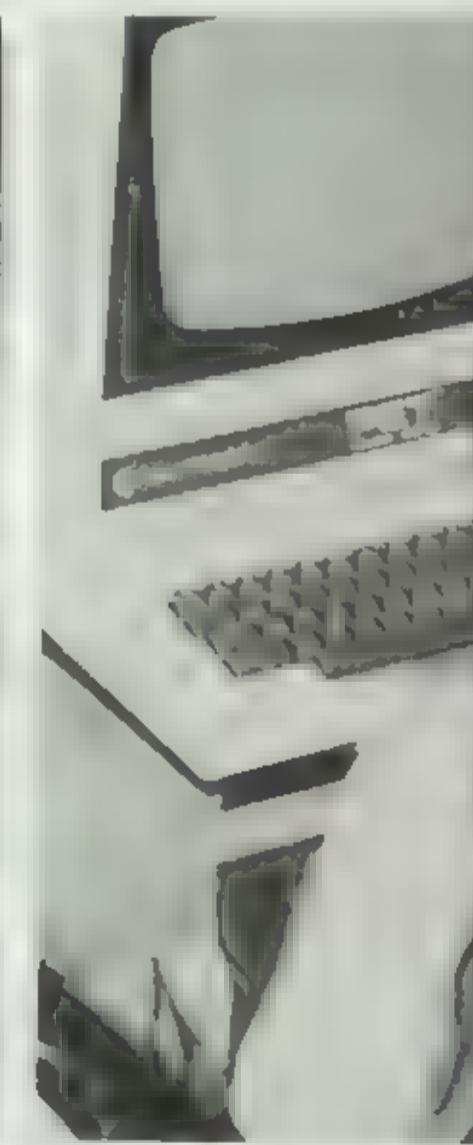

MR. BOB KRAUS, a graduate of San Jose State University has a B.A. in English. He attended Chico State University before attending SJS. Mr. Kraus has taught at Overfelt for eleven years. He coached the cross country team and the track team. Mr. Kraus, a former Olympic-style weightlifter, was the Western United States champion in the 132 lb. and 148 lb. divisions. He also enjoys backpacking. His favorite saying is, "No pain, no gain."

Overfelt has a fourteen year veteran named CORENA BEARD. She attended the University of Kansas, University of Cal-Berkeley, and San Francisco State. She graduated from San Francisco State with a B.A. degree in history. We are glad to have her here.

"Time is the measure of all things." is a favorite saying of MISS SHARLENE MAE MELLO. Miss Mello has been with us for 13 years and is the drama advisor. She is a graduate of San Jose State University with a B.A. degree in theatre arts. Miss Mello has also traveled a great deal and said she has found fascinating sights and wonderful people everywhere.

Although MR. JIM FRAZEE has coached basketball, softball, and golf at Overfelt in past years, this year his coaching efforts were aimed towards basketball at Gavilan College, where he is the assistant basketball coach. He is a graduate of San Jose State University with a B.A. degree in English and a minor in physical education.

Do you like to travel a lot? Well, maybe you should meet one of our staff members, MS. JANET MUSCIO. Ms. Muscio has taught at Overfelt for the past five years. She attended San Jose State University where she obtained her B.A. degree in social science. She likes to travel and has been to Italy, Mexico, Greece, and China. She likes to cook and her favorite food is Italian.

RON CUEBA, the Gold Nugget Baby of California, is a graduate of San Jose State with a B.A. degree in economics. He was the head coach of the F.S. Football Team and the advisor of both the Senior class and yearbook. Mr. Cueba has traveled through Europe and the United States. Along with this, he also feels that, "People should love each other and use things, not the opposite."

HUGH PHINNEY taught at Andrew Hill High School for several years before coming to Overfelt. He attended the University of California and San Jose State University. He teaches Language Arts I A and Language Arts II.

"Angels fly because they take themselves lightly," is a favorite saying of CHARLES EDWARD MURPHY. He is a graduate of San Jose State University with a B.A. degree in both English and Spanish. Mr. Murphy has travelled throughout Mexico, Central America, Europe, Asia Minor, Africa and the Far East.

The Language Arts Department has entered the computer age. Spelling and Vocabulary drills are programmed into the computers by Mr. Day. All IB classes use the Computer Lab one day a week.

MS. SUZANNE TORRES is an outstanding teacher who has been with us for five years. She attended a variety of universities, but graduated from the University of Wyoming, majoring in English and minoring in Spanish. She also studied in Morelia, Mexico. She is quite exceptional in her field, and has co-authorship of an English textbook to prove it. Her favorite saying is, "Wherever you are your friends make your world."

MRS. VICKIE L. ANDERSON attended Diablo Valley and Chico State College, where she majored in English. She has a B.A. and a Standard Secondary Credential for English. She has taught at Overfelt for twelve years. She serves as advisor to the Hiking Club and the Drill Team. Mrs. Anderson likes the outdoors. She enjoys backpacking, fly-fishing, and travelling. She also plays the piano and guitar. She enjoys jazz and all of the performing arts.

SCIENCE

Science means new discoveries

Always moving forward in discovery, students are intrigued by the fascination of science

A subject of and for the future, science will always present a challenge to an inquisitive mind

GENE DORSA, better known as Clean Gene, is one of the lead singers of Blue Max and the Flashbacks. He graduated from San Jose State University with a B.A. in Physical Education and Biological Sciences. He also obtained an M.S. in Education. Mr. Dorsa was a coach for the F.S. Football Team and a varsity baseball coach. He is the Science Department Chairperson and teaches Science I and Biology.

STEVE BARRY, former Overfelt teacher returned this year from Santa Teresa High School to teach science. He graduated from San Francisco State University with a degree in Biology.

"Failure is a method of learning," is one of the favorite sayings of **MR. ARCHIE DAWSON**. Mr. Dawson attended many schools, including L.S.U., Hope College, and San Jose State. He holds degrees from Grambling and Tuskegee Institute. In college he majored in chemistry and minored in mathematics. Mr. Dawson has been at Overfelt for the past 12 years.

I. If you don't do your homework this could happen to you. Filomena Carvalho and Cindy Espinoza inspect a former student

RAY HUNT enjoys winning, which is not surprising since he is the men's soccer coach and also a track coach. In the past he has been a football coach. Mr. Hunt is a real outdoorsman who enjoys the marvels of nature. He graduated from San Jose State University with a B.A. degree in Physical Education.

JAMES PAOLINI has a very unusual hobby. He collects American Flyer trains and accessories. He is a graduate of San Francisco State University where he obtained a B.A. degree in Biology. Mr. Paolini minored in history. His favorite movie is McCABE AND MRS. MILLER.

Five period day hurts physical education

Recent cut backs from a six to five period day, along with making physical education optional for juniors and seniors, has decreased enrollments in P.E. classes. Those students that do take physical education are in for a treat. They can participate in tennis, softball, gymnastics, weight lifting, and many more fun activities.

MONTY STEADMEN has been here for 15 1/2 years. He has taught English and is currently teaching physical education. He attended San Jose State University where he received his B.A. and M.A. degrees. In addition to teaching, he coaches crosscountry and track. His favorite saying is, "Don't be a quitter." He wants everyone to know that he and Ronald Reagan do not dye their hair. His favorite movie is "Casablanca."

BOB BARNES is a second year teacher. He has been very active as a coach for varsity football and F.S. basketball. While in college he participated in football, basketball, and track. He graduated from Santa Clara University with a B.S. degree in sociology and physical education. His favorite movies are THE STING and RAIDERS OF THE LOST ARK.

PATRICIA KUNTZ enjoys travelling and working in her yard. She has been at Overfelt for 19 years. She coaches volleyball and badminton. Ms. Kuntz graduated from Minot State College in North Dakota. She majored in physical education and minored in health and math. Her favorite saying is, "Willing to work, willing to win."

CAROL FISCHER attended San Jose City College and San Jose State University. She earned a B.S. degree in physical education. Mrs. Fischer is women's athletic director and coaches women's varsity swimming. For seven years she traveled and taught with the National Cheerleader Association, which involved performing for the San Francisco 49ers. She is now the advisor for the song girls. Her favorite motto is, "Finish what you start."

"I get better looking everyday", says Sal Gonzalez during his p.e. class

ALGER NASH has taught at Overfelt for the past twelve years. He has attended the University of Arkansas Pine Bluff. He majored in physical education. He is the Varsity Basketball coach. While in high school he was selected on the All-State Basketball squad. He is also a graduate of the NCO Academy, Korea and earned five battle stars. His favorite saying is "Let's do it baby!"

FOREIGN LANGUAGE

Opening minds to cultures

Hola? Que pasa? If these phrases sound familiar to you, you are probably a member of a Spanish class. Spanish and French are the two foreign languages taught at Overfelt.

With the entrance of the computer magnet, the foreign language department foresees an influx of students who see a need to study languages. Knowing a foreign language will increase a student's ability to gain employment throughout the world.

Many of the foreign language staff are also involved in ESL and bilingual education.

Adult aides help to improve the education of our students and lighten the burden of the teacher. Ada Sallas and Aurora Solis are an important part of the Foreign Language Department.

MS JANET ESPINOSA holds degrees in Math, Spanish, and Bilingual Education from Western Washington University and the University of Santa Clara. She has been at Overfelt for fourteen years and is active in advising the Mexican and Vietnamese folk dancers. She lives on a small farm with her two children, husband, and animals. Her favorite saying is, "Double your pleasure, be bilingual," and she enjoys traveling.

JOHN MOORE has been at Overfelt for ten years. He attended St. Mary's where he received a B.A. in English. Mr. Moore is the advisor of the JSA Club. He has also traveled extensively through Europe, Russia, Poland, Yugoslavia, Mexico, Canada, and the United States.

MISS CONDON was one of the original teachers when Overfelt opened twenty years ago. She has taught French, Spanish, and has helped with most Drama Club activities. Her favorite saying is, "C'est la vie," and she has decided to keep facts about her life a secret.

This is MR. DAVID VALEN. CIA'S second year at Overfelt. Before he entered the University of San Francisco, where he received his B.A. in Bilingual Education, he spent a year at the University of Madrid, Spain. He is also an advisor of the Sophomore Class and his favorite saying is, "Keep trying."

SOCIAL STUDIES

History repeats if you fail

Social Studies offers students a variety of classes. Freshmen are required to take World Cultures. Sophomores can take an elective from one of several interesting courses offered. Juniors must pass a year of U.S. History, and seniors face a final obstacle, Civics. Electives available are Mexican-American History, Law in Action, and Psychology.

FLOYD HURNDON is well known for his work with the B.S.U. He is also the head coach of the Girl's Track Team, and has played pro baseball with the Cincinnati Reds. Mr. Hurndon has earned an M.A. equivalent in History and was a small college All-American in baseball during 1971 and 1972. His favorite motto is, "Only a chump will cheat himself."

MRS. DWYER has been at Overfelt for seven years, five as a secretary and the last two as a teacher. She is a graduate of San Jose State University, where she majored in and received a B.A. in Social Science. She was the Freshman Class advisor this year and has spent 2½ years of her life in Europe.

MR. JOHN FRANK attended Whitman University and San Jose State University. He received his Standard Secondary Credential from Hayward State University. He graduated from Elmhurst College, in Illinois, with a B.A. in History and a B.D. Mr. Frank has traveled to many different parts of the world: Europe, Africa, Mexico and several times to Hawaii. His favorite saying is, "Each day is a new beginning."

PAUL LORTIZ (former Overfelt graduate) has traveled extensively throughout Mexico. He has an M.A. degree in Mexican-American Graduate Studies. He is the advisor of the Chicano Student Union and his favorite saying is, "Viva La Raza!"

It is about time! Could this be the cover of the CITADEL? Duane Young and Jose Avila point to their favorite cover in Mr. Ortiz's Civics class.

By far NICK LEON has to be the best teacher on campus, after all, he said so. He has served at Overfelt for fifteen years, with no probation in sight. He is the Chess Club advisor and co-advisor for the Hiking Club. One of his favorite sayings is, "Nothing happens by magic."

GEORGE SANCHEZ enjoys traveling and has traveled to Mexico several times and Hawaii once. He is a graduate of San Jose State University with a B.A. in History. He was an advisor of the Spanish Club and the Freshmen Class.

LEARNING CENTER

Dedicated to meeting individual needs

Learning Center aides Anna Tornabene and Nancy Burch

MR. FELTON OWENS is a ten year veteran of Overfelt. He has a B.A. in Behavioral Science from San Jose State University. This year Mr. Owens was the coach of the Girl's F.S. Basketball Team and an advisor of the Senior class.

A freshman that teaches? In reality, **MARY ELLEN GAGE** is not a freshman, but this is her first year teaching at Overfelt. Having graduated from Ca Poly, Pomona, she believes, "If something is worth doing, it is worth doing well!"

It takes a special person to teach special education. This person is none other than **JANET GARRETT**. She is a graduate of San Jose State University with a B.A. in speech therapy. In spite of all her responsibilities as a mother of two darling children, she still finds time to be an advisor of the Senior class.

"Hang in there," is **JACK MASTER'S** favorite saying probably because he does hang on. For example, he spent ten years in Naval aviation, in which he did extensive world wide travel, especially in the Pacific Islands, Orient, and Alaska. Besides this, he is a graduate of Southeastern State, Oklahoma, with a B.S. in business.

LORINE WILSON has been on the Overfelt staff for fourteen years. She attended Sacramento State, San Francisco Theological Seminary, and San Jose State University. She is an advisor of the Asian American Club.

Jean Alexander has attended San Jose State University and San Francisco State and has obtained B.A. and M.A. degrees in Social Science. Currently she is tutoring students with reading problems and is an advisor for the Chess Club. Mrs. Alexander is also a devoted bird watcher. Her favorite saying is, "A closed mouth gathers no food."

Tomorrow's media center

The Library offers students and staff access to thousands of books at no cost. The present physical arrangement of closed book stacks was established in 1973-74. Earlier the books were on shelves around the walls of the library. Future plans call for acquisition of microcomputers and the use of the library as a media center

MRS. EVELYN SEITZ, our new librarian, has been doing an outstanding job for the second consecutive year. She once lived in a forest service lookout and is currently singing for a folk choir. Her favorite saying is "God don't make no junk."

Helping students is one of the many duties of library technician Doris Reynolds, seen here with Ernie Rodriguez.

CARLOS RAMOS, also known as Rock Ramos of Bue Max fame, holds a B.A. in Industrial Education from San Jose State University and an M.A. in Education from the University of San Francisco. Mr. Ramos has travelled extensively throughout the Middle East and is an Air Force veteran of 20 years.

Technology, past, present, future

In a machine age, learning to work with tools is vital. The Industrial Education Department focuses on developing the individual's working skills in wood, metal, auto mechanics, electronics, and mechanical drawing.

"If not now, when?" is a frequently spoken phrase of **WOODROW GREENHOUSE**. He is an alumnus of San Jose State. His major was Industrial Education and his minor was in psychology. He is the chairperson of the I.E. department and has been at Overfelt for the past ten years.

RON HARRISON, a U.S. Football and Varsity Baseball coach, is a graduate of San Jose State University with a B.A. in Industrial Education. He is also not only a former maker of waterbeds, but a tester as well. Mr. Harrison is a former Overfelt student.

"Yea-ahh," is a common greeting of **JOHN AMMON**. Mr. Ammon graduated from Humboldt State College with a B.A. in Industrial Arts. In the spring Mr. Ammon is the F.S. Baseball coach.

Math readies for magnet

There is excitement in the air! Everyone in the math department is enthusiastic about the opening of the new magnet program. The new program will attract students from different high schools to Overfelt. The magnet program also offers high level math classes and use of computers.

SHERRILL HUNNAGE has accomplished many things in her past. She was the first female news courier for the Mercury News, which she delivered on roller skates. She is a graduate of the University of Santa Clara with an M.A. in Mathematics, and was a coach for the Math Team and Academic Decathlon this year.

DENNIS V. CONWAY is a graduate of the University of California at Berkeley. His major was Math, in which he received a B.A. degree. Mr. Conway also has a Bilingual Administrative Credential.

MRS. TILLIE TORRES GARDELLA is a five year veteran of WCO. She is a graduate of Metropolitan State College with a B.A. in Math. Her minor was Psychology and she also has a teaching credential.

MRS. ROSEANNA JONES is a graduate of San Jose State College. She received a B.A. in Mathematics. Her minor was Psychology and she is one of the newest members of our staff.

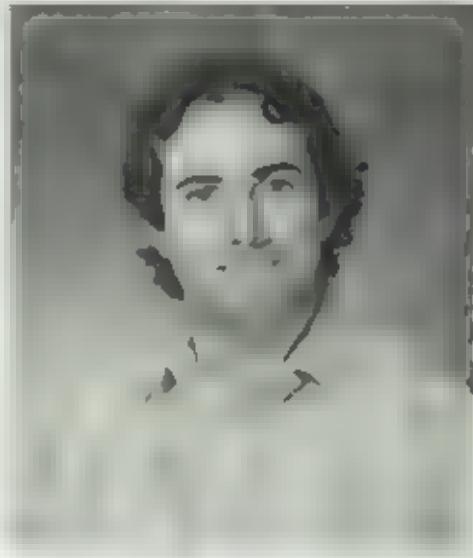

MR. VITTES graduated from San Francisco State with a B.A. in Math. Psychology was his minor and he also holds a secondary teaching credential. Mr. Vittes looks forward to the beginning of summer vacation so much that he knows exactly how many days are left no matter what time of year it is.

DEBORAH A. RAYMOND has no sympathy for anyone if he/she does not do their homework. She is a graduate of San Jose State University with a B.A. degree in Mathematics and a B.S. in Finance. She also holds a Secondary Teaching Credential in Math and enjoys jazz dancing.

"Every body has a right to my opinion," is **GARY MILLER'S** favorite saying. He is a graduate of the University of Santa Clara with degrees in Mathematics and Computer Programming. Mr. Miller was the advisor of the Math Club and also enjoys the motto "FOAD."

MISS MONAHAN, who has been here for thirteen years, graduated from the College of Notre Dame and from the University of Santa Clara with a BA in History and an MA in Mathematics. She is extremely active in our community as Vice Chairman of Santa Clara County Historic Commission, President of the New Almaden Community Club, Inc., Grand Marshall of New Almaden Days Parade, and is very active in county government.

MR. PORS is an animal lover he trains cats at home and students at school. He holds a BA in Math from San Jose State University and believes, "You don't always get what you want."

MRS. ESTHER ROCHELLE has been with us for twelve years. She is a graduate of Mundelein College with a BA in Math. Her minor was English and she also has a Life Secondary Credential.

MS. MARIA ESCALANTE was this year's Bilingual Math, Algebra JS-4S, and Math L teacher.

JOHN H. HOSMON was "up the creek" four years prior to coming to the "Big O." He was this year's Girl Watching coach and insists he is a very interesting person. He is a graduate of San Jose State University with a BA in Mathematics with a minor in Spanish and Physics. Mr. Hosmon was an advisor for the computer lab and his favorite saying is "La vida es sueño, y los sueños sueños son." He was also a drum major for three years in college.

MR. JIMMIE ATENCIO taught Bilingual Algebra 1S-2S resource, and Science I this year.

MR. INSUJO YAKOTA has been teaching at William C. Overfelt for eight years. The colleges he attended were Sierra Junior College, Sacramento State, and San Jose State University. He graduated from Sacramento State with a BSME in Mechanical Engineering. He was also a coach for the Varsity Football Team this year.

Math Aids. Sitting-Alice Guerra, Gloria Tiscareno, Standing-Peggy Smith, Maureen McLean

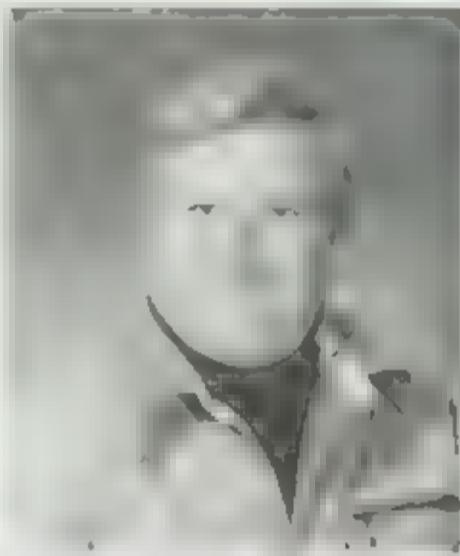

Royals develop their talents

Expression of one's own personality is developed in art classes. Students can take classes that range from photo to drawing. Overfelt has long been noted for the outstanding students that have developed their artistic skills in the H building.

The advisor of the Art Club this year was JEAN McMANIS. Ms. McManis was certainly qualified for this position, since she is a graduate of San Jose State University with a B.A. degree in Art.

JOHN J. DUGGAN has degrees in fine arts from San Jose State (B.A.) and Stanford University (M.A.). He has also won scholarships to the San Francisco Academy of Art and to the Yeats International Festival in Sligo, Ireland. His favorite movie is THE HORSES MOUTH.

- 1 Caught in a typical moment, Mr. Steve Taddei helps a Photo I student, Jackie Duad with a photo assignment.
- Painting is a strong point of the Art Department. Percival Acosta and Jane Yoon supply some last minute touches to an oil painting.

STEVE TADDEI, the art chair person, has taught at Overfelt for eleven years. He attended Napa Junior College, San Francisco State, San Jose State and the San Francisco Art Institute. He is the lead singer of the famous Blue Max and the Flashbacks. Mr. Taddei teaches photo and has been a great help in producing the 1982 CITADEL.

The halls are alive with the sounds of music

Consumer awareness taught

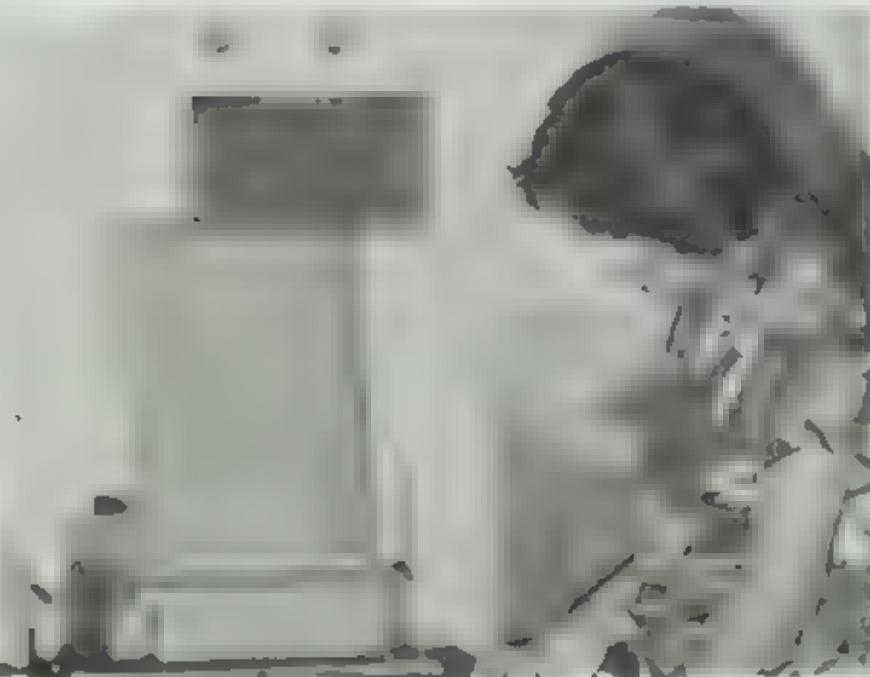

Cooking, sewing, and child care are skills males as well as females need in a modern society. Students can take a variety of courses from our Home Economics department.

"Always have something to look forward to, but if it should fail, have something to lean back on," is a favorite saying of BRENDA JORDAN. She is the department chairperson of the Home Economics department. Ms. Jordan graduated from Hampton Institute in Hampton, Va. She has earned her M.A. in home economic education. Ms. Jordan likes to dance, play soft ball, sew, and cook.

THERESA E. MCRAE attended San Francisco City College, San Jose State University, and San Francisco State University. She earned her B.A. degree at SJSU and her credential from SF State. Her major was Home Economics, and her minor was Dance. She is advising the Black Student Union and the Senior class. Her two favorite sayings are, "cool out and hang loose." She is also a real supporter of our track team.

Panic Reigns on Monday

February fourth is the big day. The whole W. C. Overfelt community and family will go to their own school at last.

The first thing to do after arriving at the new school is receive class schedules. For a time all classes are reduced to rank of freshmen. One person will be assigned to the next

For four months students have strayed with sky-high arm of books praying for lockers. At last these prayers have been answered. Jump for joy! But wait. Who has time for fun? The locker is stuck, the bell just rang, the locker combination is forgotten, and the schedule is in the locker.

I ask you all lost for everyone. Go away the trees from the school bus. Isn't it funny how everyone tries to find the bus?

Now students wearily hunt for their next class. Seven hours later they are still hunting. They are tired and weary, rush to the buses taking them back home to study their schedules and locker combinations.

Seniors

Sensational Seniors

It's not easy being a Senior, sweating through civics, filling out hundreds of college applications, studying for finals, hoping that Mr. Frazee doesn't raise the rent on our pay packets, and enduring the concepts of Leon-ology. "It's quite a dilemma."

Who could forget the surprise spot of the annual Senior picnic, meeting Mickey in Disneyland, or touring through Universal Studios. Remember those secret nights in Hawaii? Don't worry mom, we behaved ourselves.

Who caught Senioritis, donated blood at the two blood drives, sponsored the Jack Emery Drive, and raised \$3500 selling candy?

Who yelled their lungs out at the rallies and took a whole day getting ready for the prom? Who never missed a fun-filled "Senior Cut Day", but cheered at the football games, and partying at McDonald's afterwards.

Who else but the Class of '82!

THE ROYAL SCROLL

WILLIAM C. OVERFELT HIGH SCHOOL

Vol. 1, Sunrose Caf., Wednesday, January 16, 1963 No. 1

The usual packed house saw an overflow crowd Saturday night. The overflow of spirit and Royal noise matched the overflow in seating.

The first half was a good one, but the second half was not so good.

The students demonstrated their school colors to the best of their ability that same evening, but with limited success.

Freshmen, Sophomores Hold Class Elections

Petitions for the class elections were turned into Mr. Scottwood yesterday, January 11th. The election, which is to be held the week of the 15th, is to be for the Freshman and Sophomore classes only, as it was voted at the beginning of the year that Junior and Senior elections would remain in effect the full year. Freshman and Sophomore officers will be elected every semester. The elections will be held in the student's history classes due to the fact that there is not sufficient time to hold them during "B" period.

JUNIORS

Juniors capture spirit

The Junior class had money trouble at the beginning of this year, but through hard work and determination, they earned enough to have a wealthy treasury. The class officers and advisors worked together to solve their problems smoothly.

Since there were financial problems the previous year, the Junior class was in debt \$389.00. They sponsored the Homecoming Dance, held on October 23, 1981, raising \$623.00. The dance proved to be a great success.

However, the Juniors didn't lose any spirit. They proved to all that they were number one by winning the first rally of the year. Go Juniors!

Along with the Homecoming Dance and class competition, the Juniors sold popcorn and soft drinks at basketball games and wrestling matches. They also participated in the traditional Junior-Senior Prom to make it a fantastic evening for all who attended.

The Junior Class advisors, Mr. Gene Dorsa and Mr. Douglas Day

SOPHOMORES

Sophs Show Spirit

In their second year at Overfelt, the Sophomores, with strong class leadership, had a great year. They built up their treasury by selling buttons and bumper stickers featuring Royal Spirit. Sophomores also sold candy-grams for Valentine's Day.

During Spirit Week the Sophomores came out on top by taking first place with their entry for Piedmont's king and queen

Overall, the Sophomores are looking forward to next year as they will become Juniors!

Baby Royals

On their first day as Freshmen, 400 Baby Royals experienced first day jitters, orientations, new teachers, new faces, and a Senior prank that left many scrambling for their classes.

With the excitement of high school, Freshmen did have spirit and proved it by being the loudest and most spirited class at the Homecoming Rally.

Many good things are expected from the class of '85. With help from class officers and class advisors, the Freshmen class will indeed have a healthy treasury. Many activities and events are planned for the coming years as Freshmen look forward to being Sophomores.

WILLIAM OVERFELT HIGH SCHOOL

—ACTIVITIES—

Overfelt-Hill Pep Rally Lacking in Courtesy

A spirit rally for the Overfelt-Hayakawa, Overfelt student body game was found lacking in president it and good conduct according to many students and faculty members. Says Mr. Schissel, Director of Student Activities, "The undoubtedly gave the Hill a poor impression of Overfelt High School." He also said, "In terms of spirit, the rally was much better" he rally, which was held Friday period, featured the presentation of the Royals' banner by the Hill student body. Mr. Jolly, Director of Student Activities, and Ron Mark, Hill student body president were present to make the presentation of the banner to Howard Lick.

Varsity coach Craig and Thesman coaches Silva and Brosnan introduced their teams and talked of the Saturday games. Class competition was held between the four classes, but the results of the competition were not announced at the rally. The competition was based on how well the individual classes presented the Royals' spellout and how much white was worn in the individual sections.

Because of the rescheduling of the Hill game and possibly the lack game, the next rally has not been scheduled yet.

Senior Class Sponsors Sadie Hawkins Dance

The "Yokum Stomp," a senior class dance, was held Friday, October 12th from 8:00 pm to 11:00 pm in the Lick gym.

The idea originated at a senior class meeting in a discussion concerning fund-raising activities.

The refreshments, punch and cookies, were enjoyed while listening to the music by the Vibratones. The bids were \$1.00 couple stag and 50¢ for seniors with senior club cards.

The senior class officers, president, Richard Reyes; vice president, Jack Wool; secretary, Adelaine Carrasco, and treasurer, Alma Cabrera were pleased with

Class Election Winners Tell of Future Plans

The election of class officers Ken Turner, vice-president; secretary, Gayle Peterson; and treasurer, Barbara Spence. The newly elected seniors are president, Barbara Spence, the president, Richard Reyes; vice-president, deput of the sophomores by Dave Flores; secretary, Adelaine Carrasco; and Alma Cabrera, 'Jesus Bustos, secretary, and treasurer. Officers of the junior class are: Ken Burke, president; freshmen are: president, Merced Lujan; vice-president, Kathy Kirby; secretary, Janie Fontaine, and treasurer, Donna Silva.

Al Hernandez, Mr. Spirit

Mr. Spirit is the newest addition to the Royal's rooting section at football games. Mr. Spirit, as the official Royal mascot, carries the school emblem on his shield.

Al Hernandez, the Overfelt pep club president, is Mr. Spirit Al and some other pep club members got the idea of having Mr. Spirit as a

shown by the senior class will influence the success of the coming year. I hope to make this a very enjoyable and memorable year for the first graduating class of William C. Overfelt." Some of the

activities he plans are the senior dance, Senior Ball, and an organization of the senior club.

Ken Burke, junior president, is planning on a carly sale, and a dance to build up the treasury. "I think the Juniors have the spirit and I hope we can prove it," states Ken.

The president of the sophomores, Dave Flores, is especially wanting to have unity within the whole class. "I plan to have various activities to build up the treasury."

Merced Lujan, president of the freshman class states, "I want to do everything that is in my power for the freshman class." He plans to have many activities such as drives to build up their treasury.

Spirit's costume was rented for the third and fourth football games. A permanent costume will be obtained shortly.

Spirit Leaders Attend Sixth Rally Confab

The first conference for the Mt. Hamilton Athletic League was held last Saturday at Irvington High School. Cheerleaders and song girls from most of the schools of the league attended to be judged on their routines, to gain new ideas from their fellow cheerleaders and song girls. Two of the cheerleaders and one of the song girls from San Jose State demonstrated some of their routines, one of which was a new original yell derived from "roggy" on the "Andy's Gang". All of the song girls did a routine and gave a few pointers to the song girls present on good

grooming, pepiness, and cut.

The last event on the agenda for the conference was a mock rally for an imaginary high school, the Wahoo Wildcats. Three cheerleaders were picked, each from a different school, and six song girls were picked in the same manner. These girls got together and conducted the Wahoo Rally with only a half-hour's practice. From the comments heard, the whole conference was a big success.

G.A.A. Starts First Year

G.A.A. has started this first year at Overfelt with three sports: bowling, hockey, and volleyball. Andrew Hill, James Lick and Samuel Ayer, are G.A.A. opponents.

The newly elected officers are president, May Yamaguchi; vice president, Jania Iyama, secretary, treasurer, Lape Pacheco, and historian, Naomi Iyama.

Twenty girls have come out for bowling and hockey. The girls going out for bowling are Shirley Scott, Rita Velazquez, Cynthia Cruz, Dolores Lopez, Leslie Mitove, Erm Kabria, Judy Mori, Naomi Iyama, Bernadette Brown, Adeline Carrasco, Nanette Battaglia, Linda Parsons, Maria Castro, Sally Castro. The fifteen girls that came out for bowling are Margie Elliot, Nancy Watterman, Christine Norberg, Sylvia Zuniga, Iris Mortmato, Barbara Nishi, Marge Ochoa, Mary Terribilid, Nanette Battaglia, Crystal Tomblinson, Maria Castrom, Linda Parsons, Marlene Williams, and Sally Castro.

The G.A.A. block design will be chosen next week.

Pep Club Officers Elected

Al Hernandez was elected president of the Pep Club Friday, October 5, in an election held in room 1201. Other new officers are Leonie Lienbee, vice president; Joye Norman, secretary; Claire Pulley, treasurer, and Bettie Maure, historian.

President Hernandez has been seen at Royal football games as "Mr. Spirit," dressed in regal attire. He has also appeared at games

tographer for both the student newspaper and yearbook.

of the Andrew Hill student body last year.

After the election of officers the club decided on committees to perform the various functions of the Pep Club.

A committee to compose new cheerleader routines and yells was established. A second committee, a decorations committee, was orga-

nized to put team colors on the goal posts and rooting sections. Encouraging students to wear white on Fridays and to sit in the rooting section during games will be the job of the Spirit Committee and the job of making posters will go into the hands of a publicity committee.

Mr. Paul Wilson is the Pep Club sponsor.

A.S.B. Cards on Sale

Students can purchase a student body card on an inst. basis

amount at once, according to Mr. Schlussel, Dean of Students. If you are interested in buying a student body card by paying in installments see Mr. Schlussel, Jania Iyama, student body treasurer.

Mr. Schlussel also stated that students loaning their cards to other students will lose their card.

‘We are looking for a few good members’

The Activity Carnival gave students an opportunity to join clubs of their choice, and the clubs gained numerous members through this successful event. The activity carnival was held during lunch in the lower quad on October 1, 1981.

An award is given to the outstanding club of the year. The Black Student Union has received this award for the past two years.

- 1 B S U members gather to recruit new members at the Activity Carnival. Tamika Corriveau, Donna Campbell, Will Grayson, Marcell Terry, Shirelynn Freeman, and Lisa Yarbrough
- 2 K W C O members Rev Martinez and Xavier Campos man booth at the Activity Carnival, while Paul Heras looks on
- 3 La Raza Unida sold club T shirts to earn money

—High stepping Royals kick-off year—

Students began the year by getting together at the annual Kick-Off Dance. Nearly 300 students and guests attended. The dance was sponsored by the Black Student Union. Music was provided by Disco Dave.

On October 18, 1981 the Royals gathered in F-5 for the annual Kick Off Dance.

SPIRIT WEEK

Balloons, streamers show Royal spirit

Bright-colored streamers and balloons are hung by spirited Royals during annual Spirit Week festivities. Decorating the campus halls is one way classes show their Royal spirit. The seniors demonstrated spirit by winning the hallway decorating while the juniors won for best male cheerleaders.

1. Spirit week puts the school in a festive mood. Sophomores made a strong effort to decorate the E wing.
2. Listing slightly to port, Greg Alvarez leads the class of '84 in cheers.
3. Now everyone knows why these two have a hard time getting any work done. Ron Cueba and Doug Day are smothered by the senior's blue and white balloons.
4. Seniors decorate the B wing to win the hallway competition.
5. "This is tough work." Dee Dee Cook does her best to drain the baby bottle during noon time competition.

— SPORTS KING, QUEEN —
Coronation for Rios, Millan

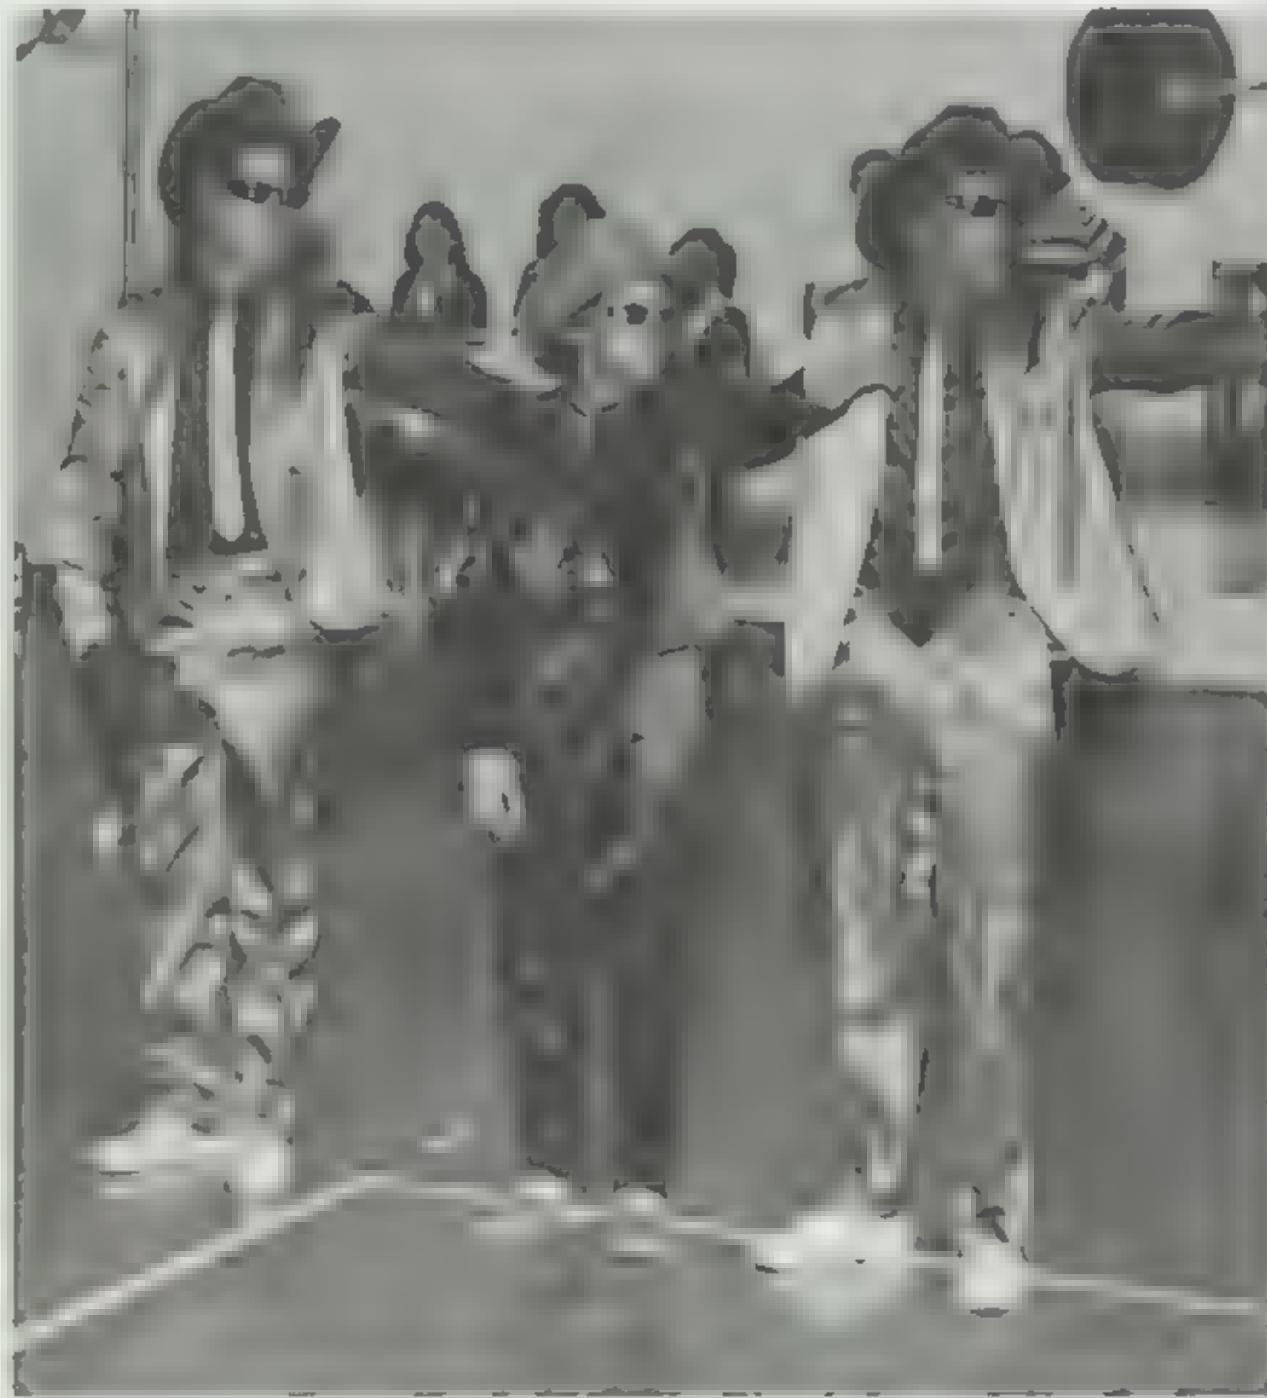

A big event during the year is the selecting of the Sports King and Queen. Fall sports teams selected candidates for king and queen. The final selection was made by a vote of the student body. Angel Rios and Laura Millan were selected to reign as this year's king and queen.

- 6 Sharing the first dance, Angel Rios and Laura Millan swing to the sound of the music
- 7 The Royal court. Paul Heras, Blanca Pinon, Angel Rios, Laura Millan, Maria Rios, and Will Villalobos
- 8 Nominated for queen by the F/S Football team is Maria Rios with her escort Ed Vega

Spirits are high

One of the great promoters of spirit is rallies. This is one time when the classes get together and compete in games, skits, and decorate the gym to promote school spirit. The Homecoming Rally was held before the Piedmont Hills game on October 30.

- 1 Showing their talent, Boogie Stevens, Hope Owens and Will Grayson pop on down to the sounds of Prince.
- 2 Up, up, and away Melinda Miller holds onto the balloons given out at the Piedmont Hills game.
- 3 At the Homecoming Rally the Junior class cheer-leading competitors are Jose Jimenez, Aaron Sanchez, Danny Torrez, Ramon Castillo, and Freddie Jackson.
- 4 Many students were up at 5:00 this morning to decorate the gym for the Homecoming Rally. Among them was Raul Randez.

Get down! Royals crowned

Excitement and fun charged the atmosphere at the Homecoming Dance. Great sounds were provided by James Geibig and Juan Castillo, former students. The dance was sponsored by the Junior Class. The focus of the evening was the crowning of King Angel Rios and Queen Laura Millan.

- 5. Tipping his hat, Angel Rios along with Queen Laura Millan are presented to their subjects
- 6. Dance, dance, dance Mario Harvey does the Intelent dance, the Flamingo Strut
- 7. Two's company, but what are the rest of you doing here? Xavier Campos, Stella Duo, Javier Torres and Jackie McIntyre gather around as Duane Morgan holds onto Kathy Cook and Charlotte Prough

DECATHLON

Academic Team Impressive

Taking first in Social Science, Ramil Manzano led the Overfelt squad to a ninth place finish in the Academic Decathlon. John Marquez received a silver medal for his interview. Richard Mathis earned a bronze medal for careers and he also won a bronze medal for science. The team placed third in the prestigious Super Quiz. The Academic Decathlon was held November 21, 1981, at Piedmont Hills High School. A total of twenty-two Santa Clara Valley high schools competed. The teams were split into three sections according to GPA. The decathlon consisted of seven written test of academic strengths and three verbal demonstrations.

CANDY SALE

Acne on rise as Seniors sell 21,000 candy bars

The Senior class concluded the most successful candy sale ever on November 18, 1981. They sold 350 cases of Hershey's chocolate bars with almonds. The income from the candy sale boosted the already bulging treasury by over \$3,500.

Historically, seniors use the money earned from the candy sale to finance activities throughout their senior year. Over \$1,000 will go to finance the Senior Picnic. Candy monies pay for the rental of the site, transportation, and lots of steaks and other great food. Candy monies will help to improve and reduce the cost of the Senior-Junior Prom. The class of 1982 has also set aside \$300 for their five year class reunion. The remainder of the money will go towards the cost of graduation, class gift, and the cost of the senior section of the yearbook supplement.

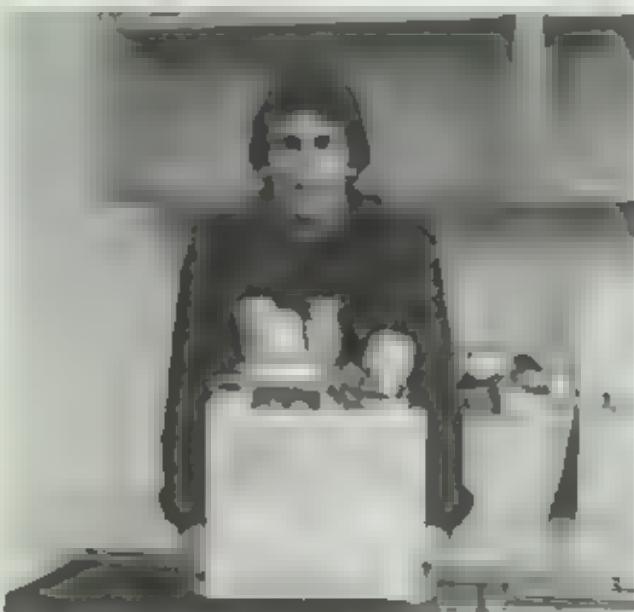

Seniors earned valuable prizes by selling candy. If a senior sold one case of candy, he or she earned free entrance to the Senior Picnic. The two top salespersons, Kathy Fangonilo and Raul Randez, earned \$25.00.

- 1 Seniors picked up candy from the student store before school, during brunch, or during lunch. Mark Espinosa hands out a case of sixty candy bars.
- 2 "I wish I could eat some," says John Espinosa as he moves some cases up to the window.
- 3 Thinking of the prizes she can win, Beatriz Franco picks up her second box of candy.

Senior Class sponsors Jack Emery Drive

Jack Emery was a local businessman who expressed his concern for others by personally sharing food and clothing with families in need. In 1951 he became the general chairman of the United East Side Christmas Basket Fund. Jack Emery died in 1952, and from that point on the project became known as the Jack Emery Memorial Food Basket Drive.

Twenty-nine years later thousands of students participated in canned food drives at their schools. Overfelt students helped out by donating over 250 cans of food and \$600.00.

- 1 Keeping track of each class's donation was the job of the chairperson, Maria Cardenas
- 2 Senior Class advisor, Mr. Owens, collects cans from Mario Gareis at the Christmas Dance
- 3 Helping move the cans to James Lick for distribution is junior Rey Martinez
- 4 The empty boxes soon filled with hundreds of cans donated by students and staff

Dracula bleeds Royals dry

For the third year in a row, seniors exceeded their goal for the Red Cross Blood Drive. Students and faculty joined to donate 54 pints of blood. The Red Cross set up their mobile blood station in the F building on November 12, 1981. The Blood Drive was sponsored by the Senior Class and aided by the National Honor Society and the California Scholarship Federation. Chairman for the Blood Drive was Miguel Gomes, Senior Class Vice-President.

The most difficult part of any blood drive is overcoming the student's fear of needles. Miguel Gomes said, "I closed my eyes and thought of something else." Donating blood takes only a painless 45 minutes and you get great cookies and juice. Asked why they gave blood, Jeff Kabahil said, "To help others who need blood," and Jose Zeledon said, "It was for a good cause."

The class of 1982 is expected to donate more blood than any other class because for the first time there will be a second blood drive in April of 1982.

- 1 After filling out a brief information sheet, having their blood checked for iron, and picking up their blood bag, blood donators head for the blood donating tables. Student volunteers helped nurses during the blood drawing process.
- 2 It doesn't hurt, honest! Will Grayson squeezes a rubber ball to help promote blood flow into the collection bag.
- 3 First year counselor Mrs. Irma Morales-Gonzalez receives juice from John Hudson after donating blood. Blood donors are required to rest for 15 minutes after donating blood.

- 1 Curtains fall for Overfeet's actors
- 2 In this scene, Carl, played by Bryan Hewitt, asks Cindy Valdez, "What are you saying, Miss Ainsley?"
- 3 "Do you suppose I married a feller that would be giving me notes that someone else wrote for him?!" shouts Angie Baraona to Mark Espinosa
- 4 "I read a story that was about a feller that saw spirits. He hypnotized 'em, so he would know if anybody he robbed a bank," says Angie Baraona to Tracy Smith
- 5 "I'm so happy to see you Bernice," exclaims Ruth Thorne, played by Rebecca Jennings. Bernice Carlton, played by Irma Gonzales

Valdez, Hewitt, Jennings star in **LAVENDER AND OLD LACE**

Miss Ainslie has kept a secret hope alive for many years. She has waited faithfully for the return of an old love. Not until Carl, a young newspaperman, happens on the scene does she realize that she need no longer live for the past. She discovers that Carl is the son of her love who died several years earlier.

In addition to this serious major plot, other subplots provide romance and comedy. Carl meets Ruth Thorne, a young woman staying with Miss Ainslie, and love blooms. Some very funny moments are provided by Hepsey, the maid, and Jane Hathaway, a neighbor, as they win their men after very long engagements.

Let's Groove Tonight!

An exciting event took place on stage on February 19. The Black Student Union sponsored its annual Talent and Fashion Show. Their theme, "Let's Groove," set the mood of the evening. The contestants competed in three different categories: singing, dance, and drama, providing variety for the evening. Awards were presented for the best performance in each category, including one for the most cooperative act. The winners were Michael Bridges for singing, Pop Along Buggers for dance, Alice Young for drama, and Lillian Sanchez for most cooperative. A plaque was presented to Mr. Davis for his constant assistance and cooperation throughout the show. Everyone did a great job and helped to produce a fine show.

The profits were used for scholarships and various club activities.

- 1 The culmination of the evening was the presentation of awards to the winning acts. B.S.U. advisor, Mr. Hurndon quiets the audience as he announces the winners.
- 2 Much of the sportswear worn by the models was donated by local clothing stores. Models, Tracy Banks, Pamela Singleton, Andre Stevens, Tamika Cordova, Lisa Yarbrough, Will Grayson, Karen Carr, and Glendora Howard display current fashions to the delight of the crowd.
- 3 Amusing the audience with their new wave antics are the Intruders. Freddy Fimbrez, Tony Garcia, and Julio Garcia.
- 4 Lovely Lillian Sanchez entertains the crowd with her rendition of "Never Love This Way Again."

Moving Towards Revitalization

In two and a half months, an area badly in need of repair was transformed into a pleasant place. Valley Crest Inc. finished the job in February. The estimated cost was over \$85,000. Mr. Davis said that Valley Crest did a nice job. In addition, twelve concrete picnic tables and benches were added. Mr. Davis asked that the students care for the school property. The C wing construction is just the beginning of many improvements that will be done. Some of the improvements to come will be the painting of the school, the replacement of the upper quads wooden benches, and the rebuilding of the science wing.

After the old concrete was removed, tractors began to level out the ground for the placement of bricks.

- ! Before the ground can be leveled, tractors dig out tons of dirt and make trenches for the new sprinkler system
- Between classes construction workers were able to work, when the bell rang work was brought to a halt by the movement of students going to class

Royal ODYSSEY

The emphasis in the journalism class this year was on taking a fresh look at the school and the newspaper. Beginning with changing the paper's name to the ODYSSEY, things were different throughout the year. There were special editions for Homecoming, Christmas, photography, and student writings.

Editorials sparked campus interest and students talked back through letters to the editor. Columns appeared as regular features; Becky Perez wrote on student body issues and Jeff Kabahit kept the seniors informed of class doings, while the roving reporter polled students for opinions.

The young tigers showed the way at the beginning of the year as freshmen Crystal Witherspoon and Audrey Salazar and sophomores Nancy Hall and Janet Toilolo worked hard in snooping for stories. This could mean an even better ODYSSEY in '83.

Lacson, Editor

For some reason, the word "deadline" came to be a thing to reminisce about for members of the CITADEL staff. Visions of lost pictures, unfinished layouts, extra-long copy, and typewriter and typist shortages were often associated with this word. Between deadlines, a passerby could find these people kicking back and exchanging stories about weekend extravaganzas. Deadline weeks seemed to pounce unexpectedly upon these ambitious people and the clackety-clack of typewriters and the sound of frustrated moans could be heard from M-5 long after school was dismissed and on many weekends. Strangely enough, this either became the habitual pattern of the yearbook staff or evidently they decided they liked to work under pressure.

Take Note: The band is back

Music has returned! After two years of silence, an active group of just 24 students produced a marching band, jazz band, pep band, brass choir, and concert band.

The most visible was the marching band. "Heavy practicing and being in tempo was hard work but we did it!" said Teresa Guillen. Practicing hard at 7:15 every morning for four weeks really prepared them for an excellent performance at the Homecoming against Piedmont Hills.

All of the bands included volunteer members who devoted their time and energy to make this year's debut a success.

- 1 All of the attention is focused on the band director, Mr. Day, as he conducts the band during halftime at the homecoming game against Piedmont Hills.
2. The rhythm section of All That Jazz, percussionists Pat Taha and Teresa Guillen and keyboard wizard Ricardo Range!

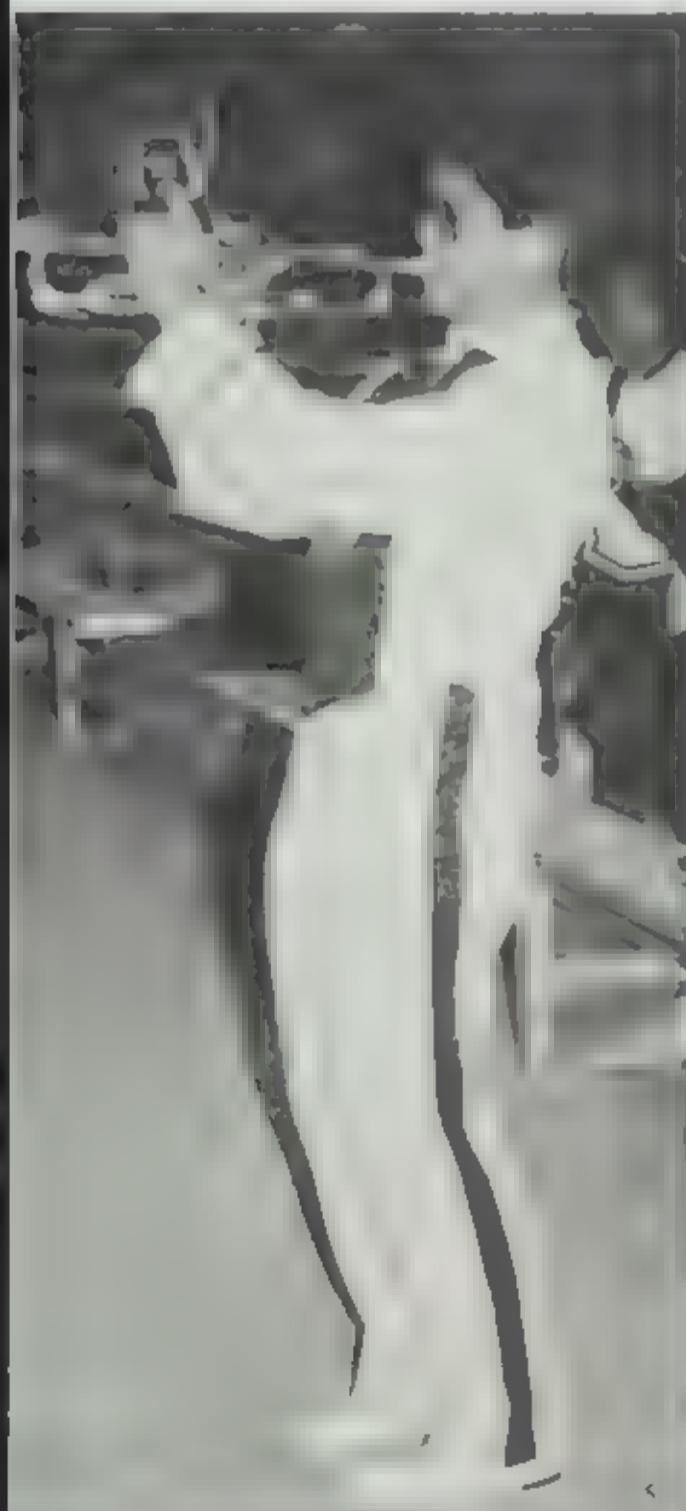

The best of Overfelt's musicians got together to form "All That Jazz." Starting with the Christmas vacation, the devoted members voluntarily put in the early morning and weekend hours it took to prepare for performances. After a mere six weeks together, All That Jazz entertained the crowd at the BSU Talent Show. Add a couple of junior high school performances and an appearance in the spring concert and it's obvious that the district's only volunteer jazz band is also the most dedicated Encore! Encore!

SWORD Begins Plans for Drive Tomorrow Night

Headed by senior Herb Zach, the SWORD committee has begun plans for Overfelt's annual welfare drive which will take place the week of March 16-20.

SWORD, which means Share With Our Royal Drive, is intended to earn money for needy students at Overfelt. Money will be earned through the traditional sucker sale

with competition between the boys and girls.

Final SWORD day will be highlighted by Slave day, assembly and a dance that night. Masters for the day will be the winners of the sucker sale competition.

This year, instead of having SWORD sales through the guidance rooms, sales will be made with appointed SWORD salesmen. There will be about 20 salesmen and they will be responsible for distribution of the suckers and collection of the earnings.

"Anyone interested in becoming a member of the SWORD committee or being a SWORD salesman can contact me or Mr. Len Schlesel, Dean of Student Activities," stated chairman Zach.

Hal McElroy was SWORD chairman last year.

Sucker sale competition, which was handled through the guidance rooms, was won by the boys.

P.G. & E. Selects Story By Joyce Saltalamachia

A story which appeared in the *Scroller* every chance they got. They last issue of The Scroll and written and during coffee breaks, by staff member Joyce Saltalamachia, appeared in P.G. & E. newsletter, *The Barker*, a paper for the employees of the company.

According to Mrs. Vedah Tomblinson, editor of *The Barker*, the story was found and selected while she was looking through The Scroll. The story has something to do with finals and "it hit the nail on the head so to speak," said Mrs. Tomblinson.

"The story was worded cleverly and it was characteristic of our employees," stated Mrs. Tomblinson.

The Barker is a paper which sent to 2000 employees of which 350 are retired, and it covers an area from Gilroy to San Mateo. This includes Santa Cruz, Redwood City, Sunnyvale, Cupertino,

Debaters Travel to Campbell for Meet

Four Overfelt debate teams one interested in debate come out travel to Campbell High School to take part in a Coast Forensic League Tournament on Feb. 22.

Eight people will go as members of the teams. Each team consists of two people with the first team made up of Bob Pruitt and Dennis Thompson. The other teams will consist of Donna Graham, Bruce Howard, Judy Rose, Jared Carlson, Charlene Hughes and Pat Ramsey.

Thirty schools from Palo Alto to Monterey will attend the tournament. The proposition to be debated is: "If Social Security benefits should be extended to include complete medical care." Each team at the tournament will present both sides of the picture, the affirmative and the negative.

So far this year the Pruitt-Thompson team has a record of three wins and three losses.

"This is pretty good because they have gone up against debaters who have had two or even three years of debating experience," stated Mr. Rick Sherman. "I have very high hopes for the rest of the year."

All in all, the "Big Move" will make a real wonderful dream for the students of W. C. Overfelt. One of education's youngest children is finally going home.

CSU sponsors first College Motivation Day

The first College Motivation Day was held on Saturday, January 9, 1982, in L-L. The primary goal of the conference was to motivate and encourage Hispanic senior students to seriously consider higher education as a realistic and practical alternative towards meeting their socio-economic needs. The selection of professional and student speakers was made for the purpose of serving as "role-models." All the speakers that spoke at College Motivation Day were Overfelt graduates. Among the 1981 graduates were Jose Martinez and Dora Lopez (Most Outstanding Senior of '81); both are now attending the University of Santa Clara.

SPIRIT LEADERS

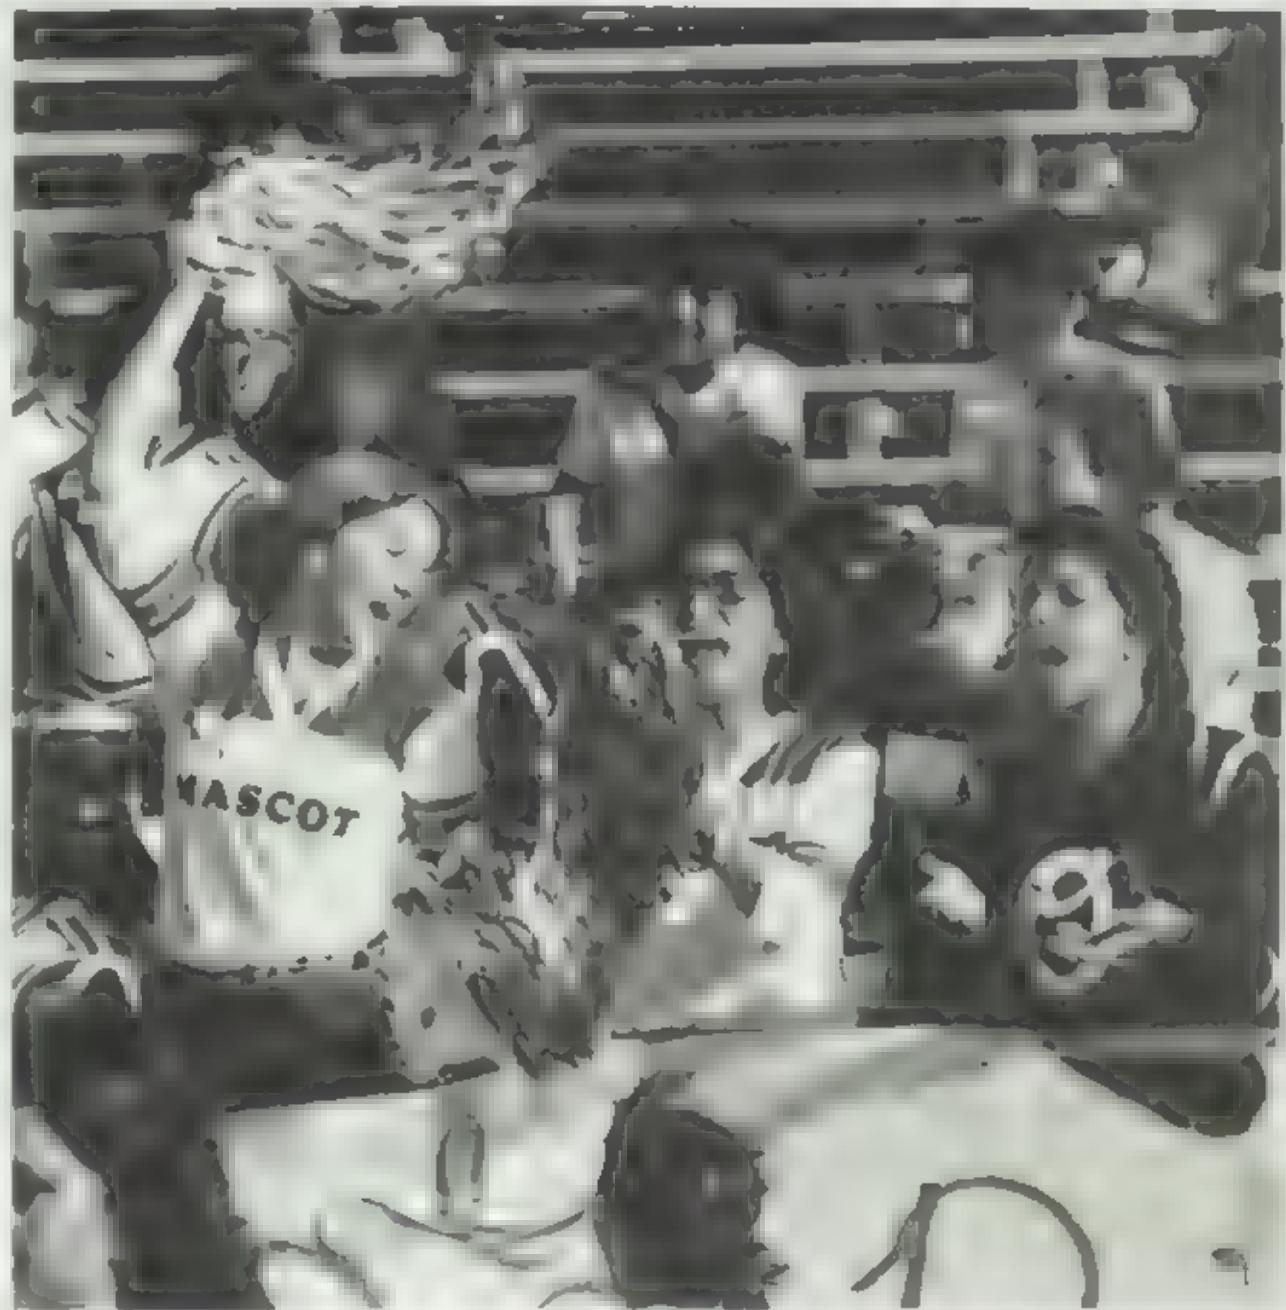

Song Girls best in memory Cheerleaders perform at 49er game

"Hey, crowd! Yah? Hey, crowd! Yah? Introduce yourself." These sounds were frequently heard during rallies and games helping to promote spirit and encourage our athletes. The song girls and cheerleaders began practicing in March of last year. They put in many practice hours after school and during the summer. In July they attended a USA spirit camp where they perfected their spirit leading. All this hard work paid off. At the football banquet Coach Certa said, "The spirit leaders are the best that I have seen in my eleven years at Overfelt." The song girls and cheerleaders performed during the half time of a 49er football game.

I Cheering on the Varsity Football team are mascots Melinda Miller, Anna Amazon, and cheerleader Mona Peregrino.

On the ground Roxanna De La Cerna, Andrea Mariscal, Danny Kevdene, Olivia Ortiz, and Nora Campos, captain Standing James Enriquez. In the air Mona Peregrino.

Waiting for her turn to perform before the incoming freshmen is song girl Maria Ross.

Royals tackle foes

Dedication, enthusiasm, and a never-say-die spirit are characteristics that the Royal Varsity Football Team displayed throughout the 1981 season. The coaches and players began with spring practice in May. More than 100 varsity and frosh/soph hopefuls turned out at 7:00 A.M. for workouts. They continued working throughout the summer. The varsity team competed in a passing league where they compiled a four win, one loss record and earned the right to enter the league finals. Players also lifted weights three nights a week to build strength and stamina. It was unfortunate that all the hard work resulted in an unproductive league record.

Although the varsity team did not win a game, they fought hard and were competitive in almost every contest. The players were praised for the hard hitting and valiant effort they displayed throughout the season.

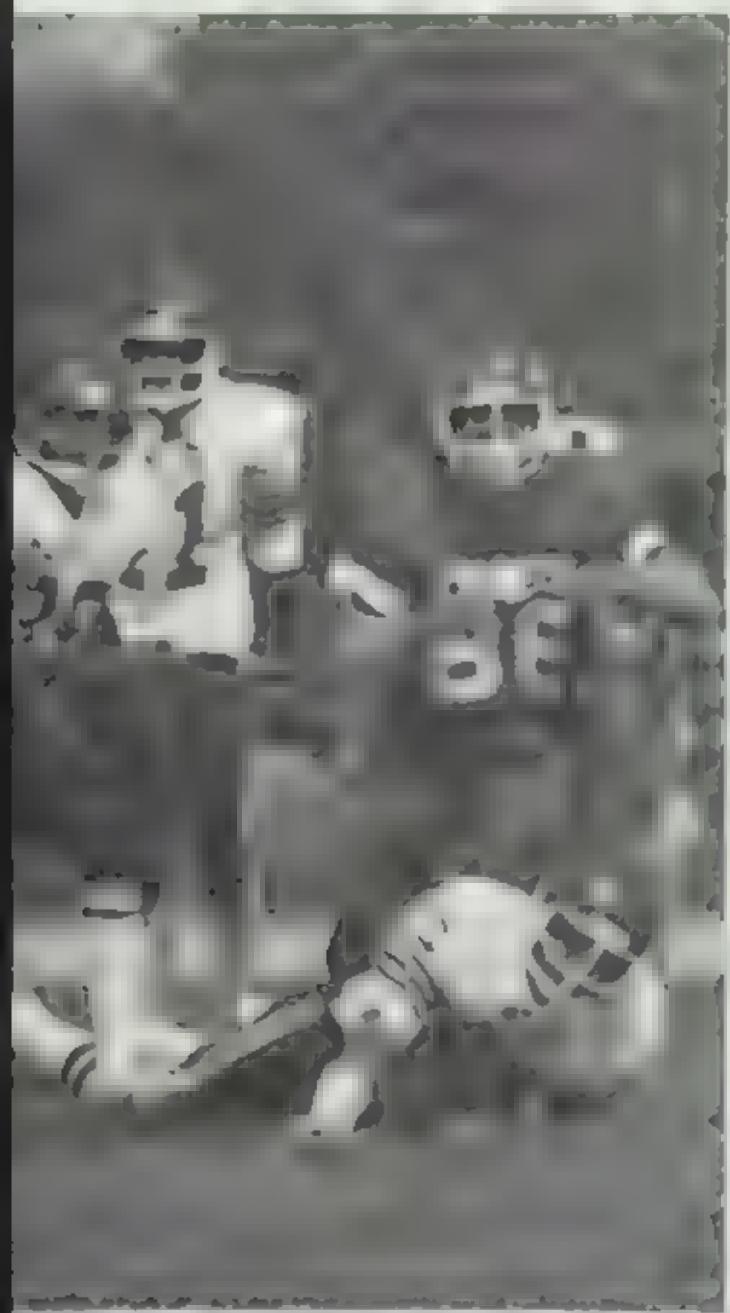

Coach Certa cited several players as making an outstanding contribution to the Royal cause. Lamont Witherspoon was elected as second team all-league at the tackle position. Roy Hibbs, all-league honorable mention, was a real team player and dedicated to the game. Angel Rios was a stalwart defensive back and wide receiver. Angel was also selected for all-league honorable mention. Manuel Gonzalez was cited as a real team leader and a great competitor. Carlos Carrillo anchored both the offensive and defensive lines. Manuel and Carlos were also selected for all-league honorable mention.

The dedication, hard work, and team play of this year's varsity team will stand as a model for future varsities.

FOOTBALL—

• United against Hitler, the countries of the Atlantic alliance are now divided over America's place in the world. The United States wants to expand its influence; Canada and Britain want to preserve it. The two sides are also at odds over how to deal with the Soviet Union. Richard Nixon and Henry Kissinger represent one side; George Bush and his supporters represent the other.

Fourth consecutive winning season for F/S

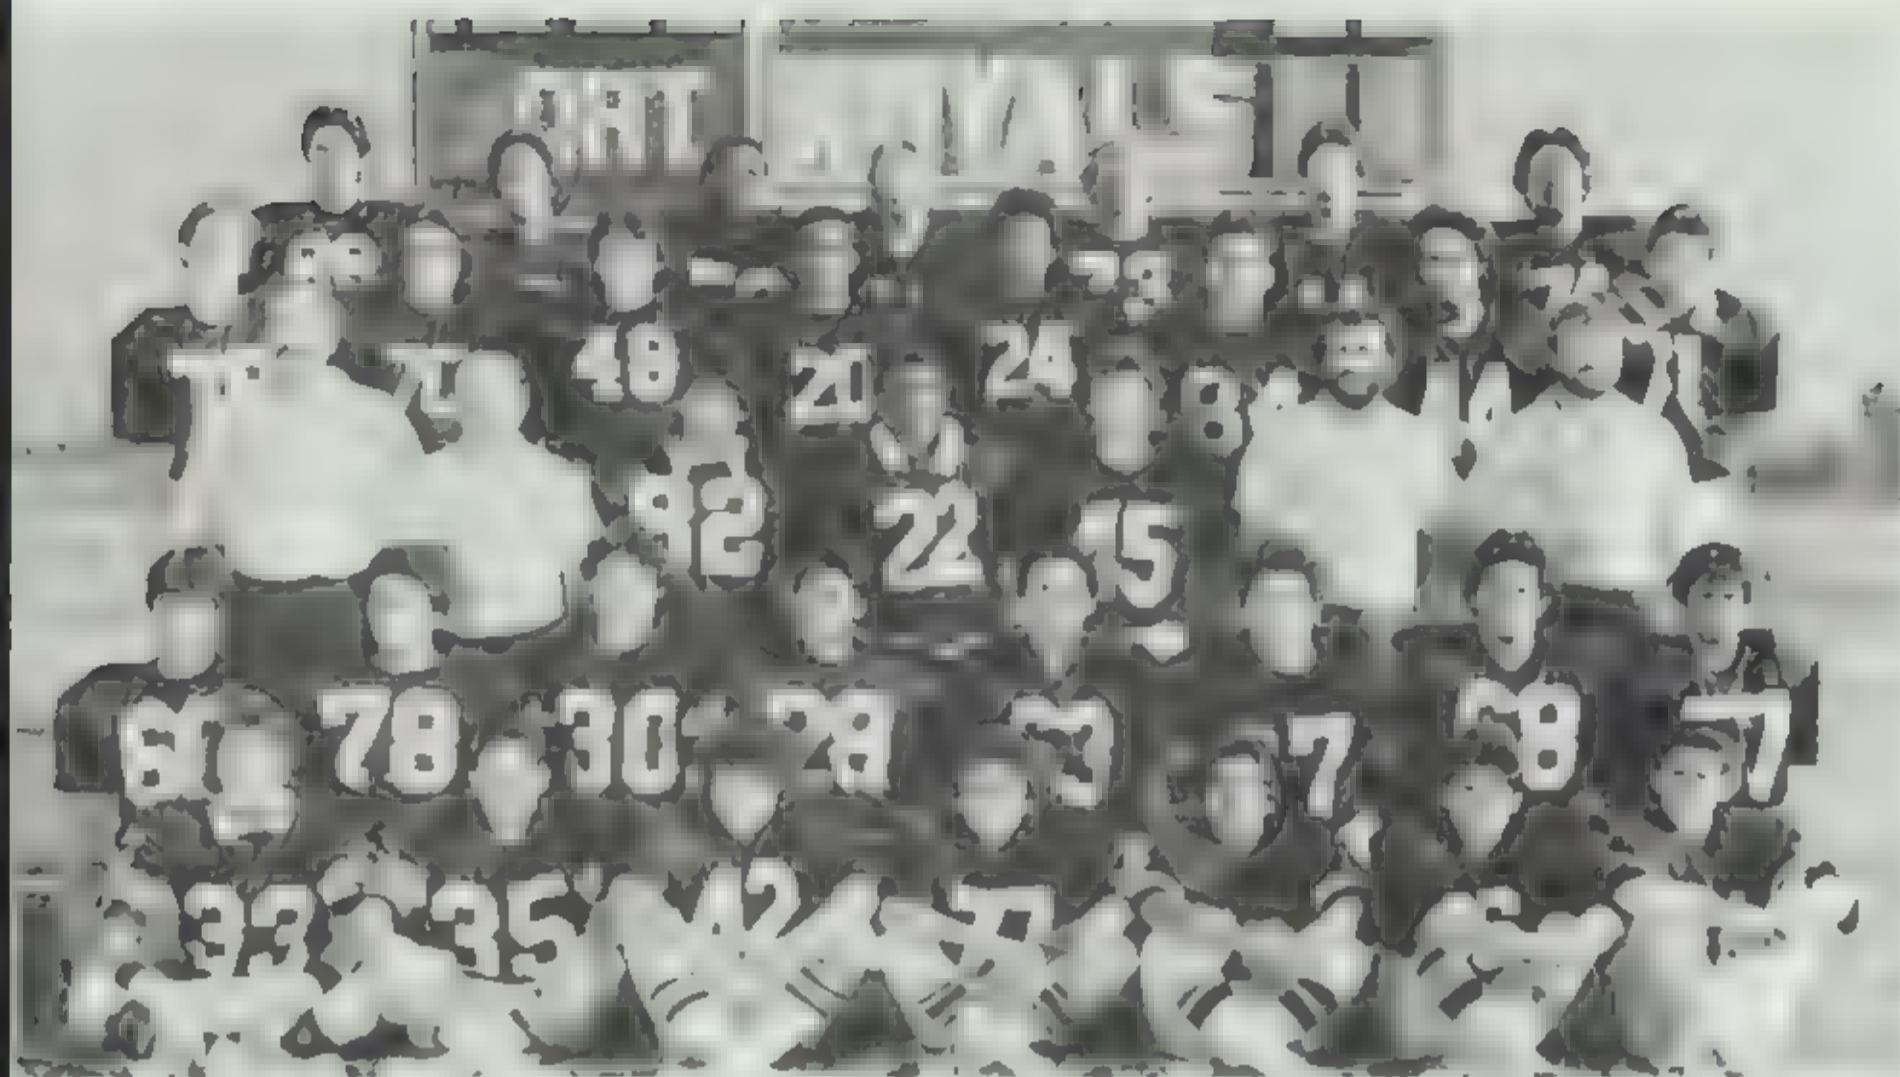

"We came within three plays of winning it all," said head coach Ron Cueba. So went the up and down season for the Frosh/Soph Football Team. With only one returning starter from last year's team, the F/S footballers struggled during the early games before turning into a fine football squad. A league record of four wins, three losses, and two ties placed the young Royals fourth in the league standings. It was significant that the Royals defeated the first, second, and third place teams.

Several players were cited by the coaches for outstanding team play. Tony Randall, quarterback, led the team in passing with a .494 completion average. He was also the punter and handled kick-off duties. Tony, only a freshmen, was selected as the team's most valuable player. Armando Caro and Greg Alvarez were praised for their work at the guard position. Fred Decker and Ruben Mitchell, team captains, were praised by Coach Cueba as being real team leaders. Ed Vega and Carlos Talavera were outstanding at both linebacker and fullback positions. Tommy Tumalo, most inspirational, displayed determination at the linebacker position. Mark Fangonilo, the leading tackler on the team, was cited for his quickness and his aggressive play throughout the year.

Giving the quarterback time to throw is the job of the offensive line. Greg Alvarez (No. 68) and Ruben Mitchell (No. 58) give Tony Randall (No. 17) time to throw a long bomb against Pioneer.

Varsity 3rd in M.H.A.L. finals

Across the steep hills of Alum Rock Park, along the tree-covered trails beside Penitencia Creek, through smog, fog, mist, and rain, a small band of dedicated athletes endured miles and miles of running. Their goal was the M.H.A.L. cross-country championship.

The varsity failed to reach their goal, but it was not from lack of effort. With a record of six wins and three losses, the varsity placed fourth in dual meet competition, but placed third in the M.H.A.L. finals.

Singled out for special praise by Coach Steadman were Paul Heras, Sean Crowley, and Hector Serrato.

Practice is essential, says coach Steadman during summer cross-country practice.

Due to lack of numbers, the F/S Cross Country Team was unable to compete as a team in the M H A L. That did not stop them from striding for excellence. Jorge Ibanez moved up to the varsity and helped the team. According to Coach Kraus all the F/S runners did an excellent job.

CROSS COUNTRY

Girls run with pride

The female harriers showed steady improvement during the year. The team members endured five to six miles of daily running to gain the strength and stamina to compete in the tough M.H.A.L. Despite a ninth place finish, the team worked hard and placed one member, Monica Olmos, on the all-league team.

Mermaids build for future

With half the team made up of freshmen, the girls' Varsity Swim team can look to a promising future. In spite of this year's losing season, they worked hard and displayed spirit and enthusiasm.

Coach Fisher singled out Samantha Maske (most valuable swimmer) for her achievement in the 500 yard freestyle and the 200 yard individual medley. Samantha placed in almost every meet she entered. Kathy Perry (most inspirational) was cited by Coach Fisher for her hard work throughout the year.

- 2 Quickness and hustle are two marks of Overton basketball Chris Aviard (33) and Monte Kell (24) surge as Steve Stewart retrieves a rebound during a game against Atoka.
- 3 The ball always draws a crowd Sam Pena drives to the top of the key and scores well for the River Rattlers.

Royals just miss play-offs

With the combination of height, speed and good shooting, the Men's Varsity Basketball team came within one game of making the play-offs. The team's league record was 6-7 and their overall record was 11-10. The team relied on Steve Stewart, Glen Turner and Monte Kelley for height; Hugo Navarez and Sam Pena for speed; Chris Alvarado and Glen Turner for rebounding and Steve Stewart, Hugo Navarez and Sam Pena for their shooting touch. The annual Varsity Banquet was held in the Multi-purpose Room on March 3rd. Awards were given to Steve Stewart for the most valuable player and Glen Turner for the most improved player. Coach Nash stated that this year's team was "The best group of young men I ever had."

- 1 Making an extra effort, Sam Pena tries to retrieve the ball for Oversight
- 2 Taking it to the top, Steve Stewart dunks for two
- 3 Breaking to a halt, John Hudson searches for a teammate to pass to

The help of two outstanding players gave the Women's Varsity Basketball team a big surprise. Their league record was 5-8 and their overall record was 5-10. Becky Perez, a senior, was chosen as the most valuable guard. Tina Lei, a sophomore, smashed the school scoring record by scoring 49 points against James Lick and was chosen as the team's most valuable player. Becky Perez remarked, "The team got off to a slow start but once we knew each other, we had a good team." The squad will be back next year except for two seniors Becky Perez and Glenda Turner. Coach Deemer expects to have a good team next year.

1. Hustle and hard work pay off with a score of 49 points. Tina Lei set the school scoring record by scoring 49 points against James Lick High School. Tina scored 17 more points than the entire James Lick team.

2. Two players face each other — the top of the key ready to control the long ball. Getting high in the air, Leilei Hu not only scores but also for the Royals.

3. Getting a step on her opponent, Becky Perez speeds past a Mt. Pleasant player for an easy lay in.

Hoopsters dunk opponents

The F/S basketball team showed a steady improvement. The team did much better than expected. Although most of the girl's were participating for the first time, they managed to beat Andrew Hill twice, and Yuerba Buena once. Their league record was 3-11, the overall record was 3-13.

Coach Owens gave them spirit and hope to go on. Aaron McKenzie was chosen as the most outstanding player. Melody Robledo was selected as the team's most improved player. Coach Owens commented, "She gave the team all she's got, and did well doing it." The team should have a successful season next year, most of the players will be returning.

Dunkers rebound with successful season

Despite the F.S. basketball team record they had a very satisfying season. They had a league record of 5-8 and ended up third in their division. Rogelio Queral was the most valuable player. He led the team with the most shots, points, and rebounds. Rogelio made the All-Tournament Team in two out of three tournaments the team participated in. Billy Pierce received the most improved player award, becoming the second leading scorer and rebounder on the team. Other outstanding efforts were made by David Jackson, Tony Randal, and Steve Lucido.

Showing the form that made him an all-tournament selection, Rogelio Queral goes up for a lay-up against Gilroy High School.

Although he is noted for his rugged rebounding, Tony Randal (No. 15) shows good form as he goes up for a jump shot. Jeff Rogers (No. 12), and Billy Pierce (No. 50), get in position for the rebound.

Booters clash with foes, stubbing toes

Hard work, effort, and spirit were all part of the men's soccer team. The team included only four seniors, and of those four, only two were experienced. The remaining members of the team were primarily freshmen and sophomores. At the end of the season, the team's overall record was 3 wins and 11 losses; their league record was 1 win and 8 losses. Despite their losing season, Jorge Ibanez was selected for first team all league. Jorge was also chosen as the most valuable offensive player. Ray Ibanez was picked for second team all league and was also the most valuable defensive player. Most improved was Juan Sandoval, and most inspirational was Jaime Bernal. Honorable mention went to Martin Camacho, Mario Hernandez, and Jaime Bernal.

Improvement for female booters

Surprising, remarkable, and outstanding are all words that could be used to describe the women's soccer team. Their record (8-4-2) was almost a complete turn around from last year's (5-7-2). The defense improved—shutting out four teams and holding five teams to one goal. The top scorers for the team were Denise Lucido and Bonnie Durham. Bonnie was selected as most valuable player; Cindy Gomez was selected for the all league team; Bonnie Durham and Angie Gonzalez were selected for honorable mention. All in all, they placed fifth in the league with a record of 4-3-2.

WRESTLING

Undefeated in dual meets

"It was an excellent dual meet season!" was Coach Morgan's reply when asked to sum up his team's season. The record book was rewritten by the accomplishments of the varsity wrestling team. They went undefeated in all 26 dual meets. Outstanding wrestlers were Vicente Rodrigues (100 lbs.), who finished with a season record of 33-5-1. Jose Jimenez (107 lbs.), with a record of 42-4, and Joel Cotti (119 lbs.), also did an outstanding job for the team. Joel compiled a record of 39-4 with 70 takedowns and was only taken down twice. Ramon Ruiz (138 lbs.), achieved a near perfect record of 40-1 with 36 pins. Lamont Witherspoon (187 lbs.), managed a record of 28-3-1 despite an early season injury.

1 One of the top wrestlers, league champion, Jose Jimenez placed 2nd in CCS with an overall record of 41 wins and 4 losses

Depth shows in tournaments

"It's a good feeling," was the reaction of Israel Luna when asked what it's like to be an Overfelt wrestler. Luna, a Junior, captured second place honors at the prestigious Overfelt Wrestling Tournament. There were many outstanding performances at the Overfelt tournament; Vicente Rodrigues, a freshman, captured the tournament title at 101 lbs. Other tournament champions were Joel Colli (120 lbs), Ramon Ruiz (142 lbs), and Lamont Witherspoon (187 lbs). Grapplers that captured second place were Eduardo Castillo and Israel Luna. Jose Jimenez also captured second place losing to eventual state champion Bill Ramos of San Ramon. The team also captured first place team honors.

The team competed in two team tournaments, going undefeated in both. In the first annual Dr. Allen Abraham tournament held at Overfelt, they captured first place, and they finished third in the Bakersfield Tournament, losing on a technicality of having fewer pins. The team also captured second place honors at the Hogan Tournament.

Performing one of his favorite moves, the double-leg takedown, Lamont Witherspoon earns 2 points against his opponent.

Grapplers dominate league

"Tremendous," was the reaction of coach Esparza, when asked how he would sum up his team's season. The team won the league dual meet title with a perfect 9-0 record. The success of the team was not limited to dual meet competition, they also captured three tournament team titles. The excellent depth of the team was displayed in the league tournament where every member of the team placed in the top four.

VOLLEYBALL

The varsity volleyball team posted its best league record ever 9-1, and 13-2 overall. Under the direction of first year coach Vaughn Uilm the girls placed second in the M.H.A.L. The second place finish earned the Royals the right to be the first girls team to advance to the Central Coast Section playoffs. Unfortunately they were defeated in the first round of play.

The team was led by four young ladies that earned varsity letters for four years. Tina Le and Becky Perez earned all-league honors. Shelia Martinez was honorable mention and Kathy Fangonilo played well all year.

 7. A crowd of rowdy juniors hams it up for the camera. Jackie McIntyre, Stella Dao, Christine Macaspac, and Vickie Jacobs have ten years of varsity experience among them

2nd in division

Maturity was the key to the success of the Women's Tennis squad. Seniors Cindy Gomez, Nancy Domingo, Janet David, and Denise Lucido provided the poise and wisdom that set the tone for the year. They were just four of the 11 returning letter winners from last year.

The team was powerful enough to freely use junior varsity players in varsity matches and finally managed to earn the respect of the perennially tough team from Piedmont Hills.

It has been a hard climb up from previous years, but the spirit of Overfelt Tennis stands on the threshold of greatness.

ACKNOWLEDGEMENTS

The CITADEL staff has had a great amount of assistance in the publication of the 1982 CITADEL. I would like to give recognition to those individuals who have aided us and extend to them the credit which they deserve.

Many thanks to Mr. Phil Svera and Mr. Eric Umeh of Western School Portraits for providing us with their photographic skills, to Mr. Steven Ladd for his time, patience, and photographic knowledge which aided us in producing much-needed photographs, and to Portrait World Studios for the pictures of the underclassmen.

My thanks go to the administration for its cooperation. Mrs. Florence Henick, the school bank clerk for assistance with yearbook sales, the secretaries Mrs. Ruth Carrier, Mrs. Susan Flores, Mrs. Marie Hardison, Mrs. Rose Magnoli, Mrs. Dorothy Richert, Mrs. Pam Mitchell and Miss Patty Mallins and the registrar, Mrs. Marybeth Chambless, for their endless help throughout the entire year. I would also like to thank those faculty members who showed their interest in the production of the yearbook, Mr. Doug Day for the layout of the cover and general editing, and Mr. Preston Brunst for his editing and help.

The CITADEL staff is very grateful to the businesses who advertised with us. The money received from their advertisements make it possible to make the 1982 CITADEL a better book. I also would like to thank the parents, faculty members and friends who supported the yearbook by purchasing sponsorships.

We give thanks to Hertzl-Lines Yearbooks, publisher of the 1982 CITADEL, and their local representative, Mark Dossey, for his assistance and vital information.

Many thanks to my hardworking and dedicated staff who have put in much time and effort to complete their sections. If not for them, this book would have never been published. Special thanks goes to those individuals students not on the yearbook staff who helped us on their own time, Manuel Gonzales for his artwork and Greg DeGroot and Jorge Fernandez for their photography. I would also like to thank Mr. Ron Cuchia our yearbook advisor, who assisted each one of us in the creation of this yearbook.

Finally, I would like to thank the students of William C. Overfelt High School, without you this book would have never been possible. We truly hope that this yearbook has brought together memories that will long be cherished.

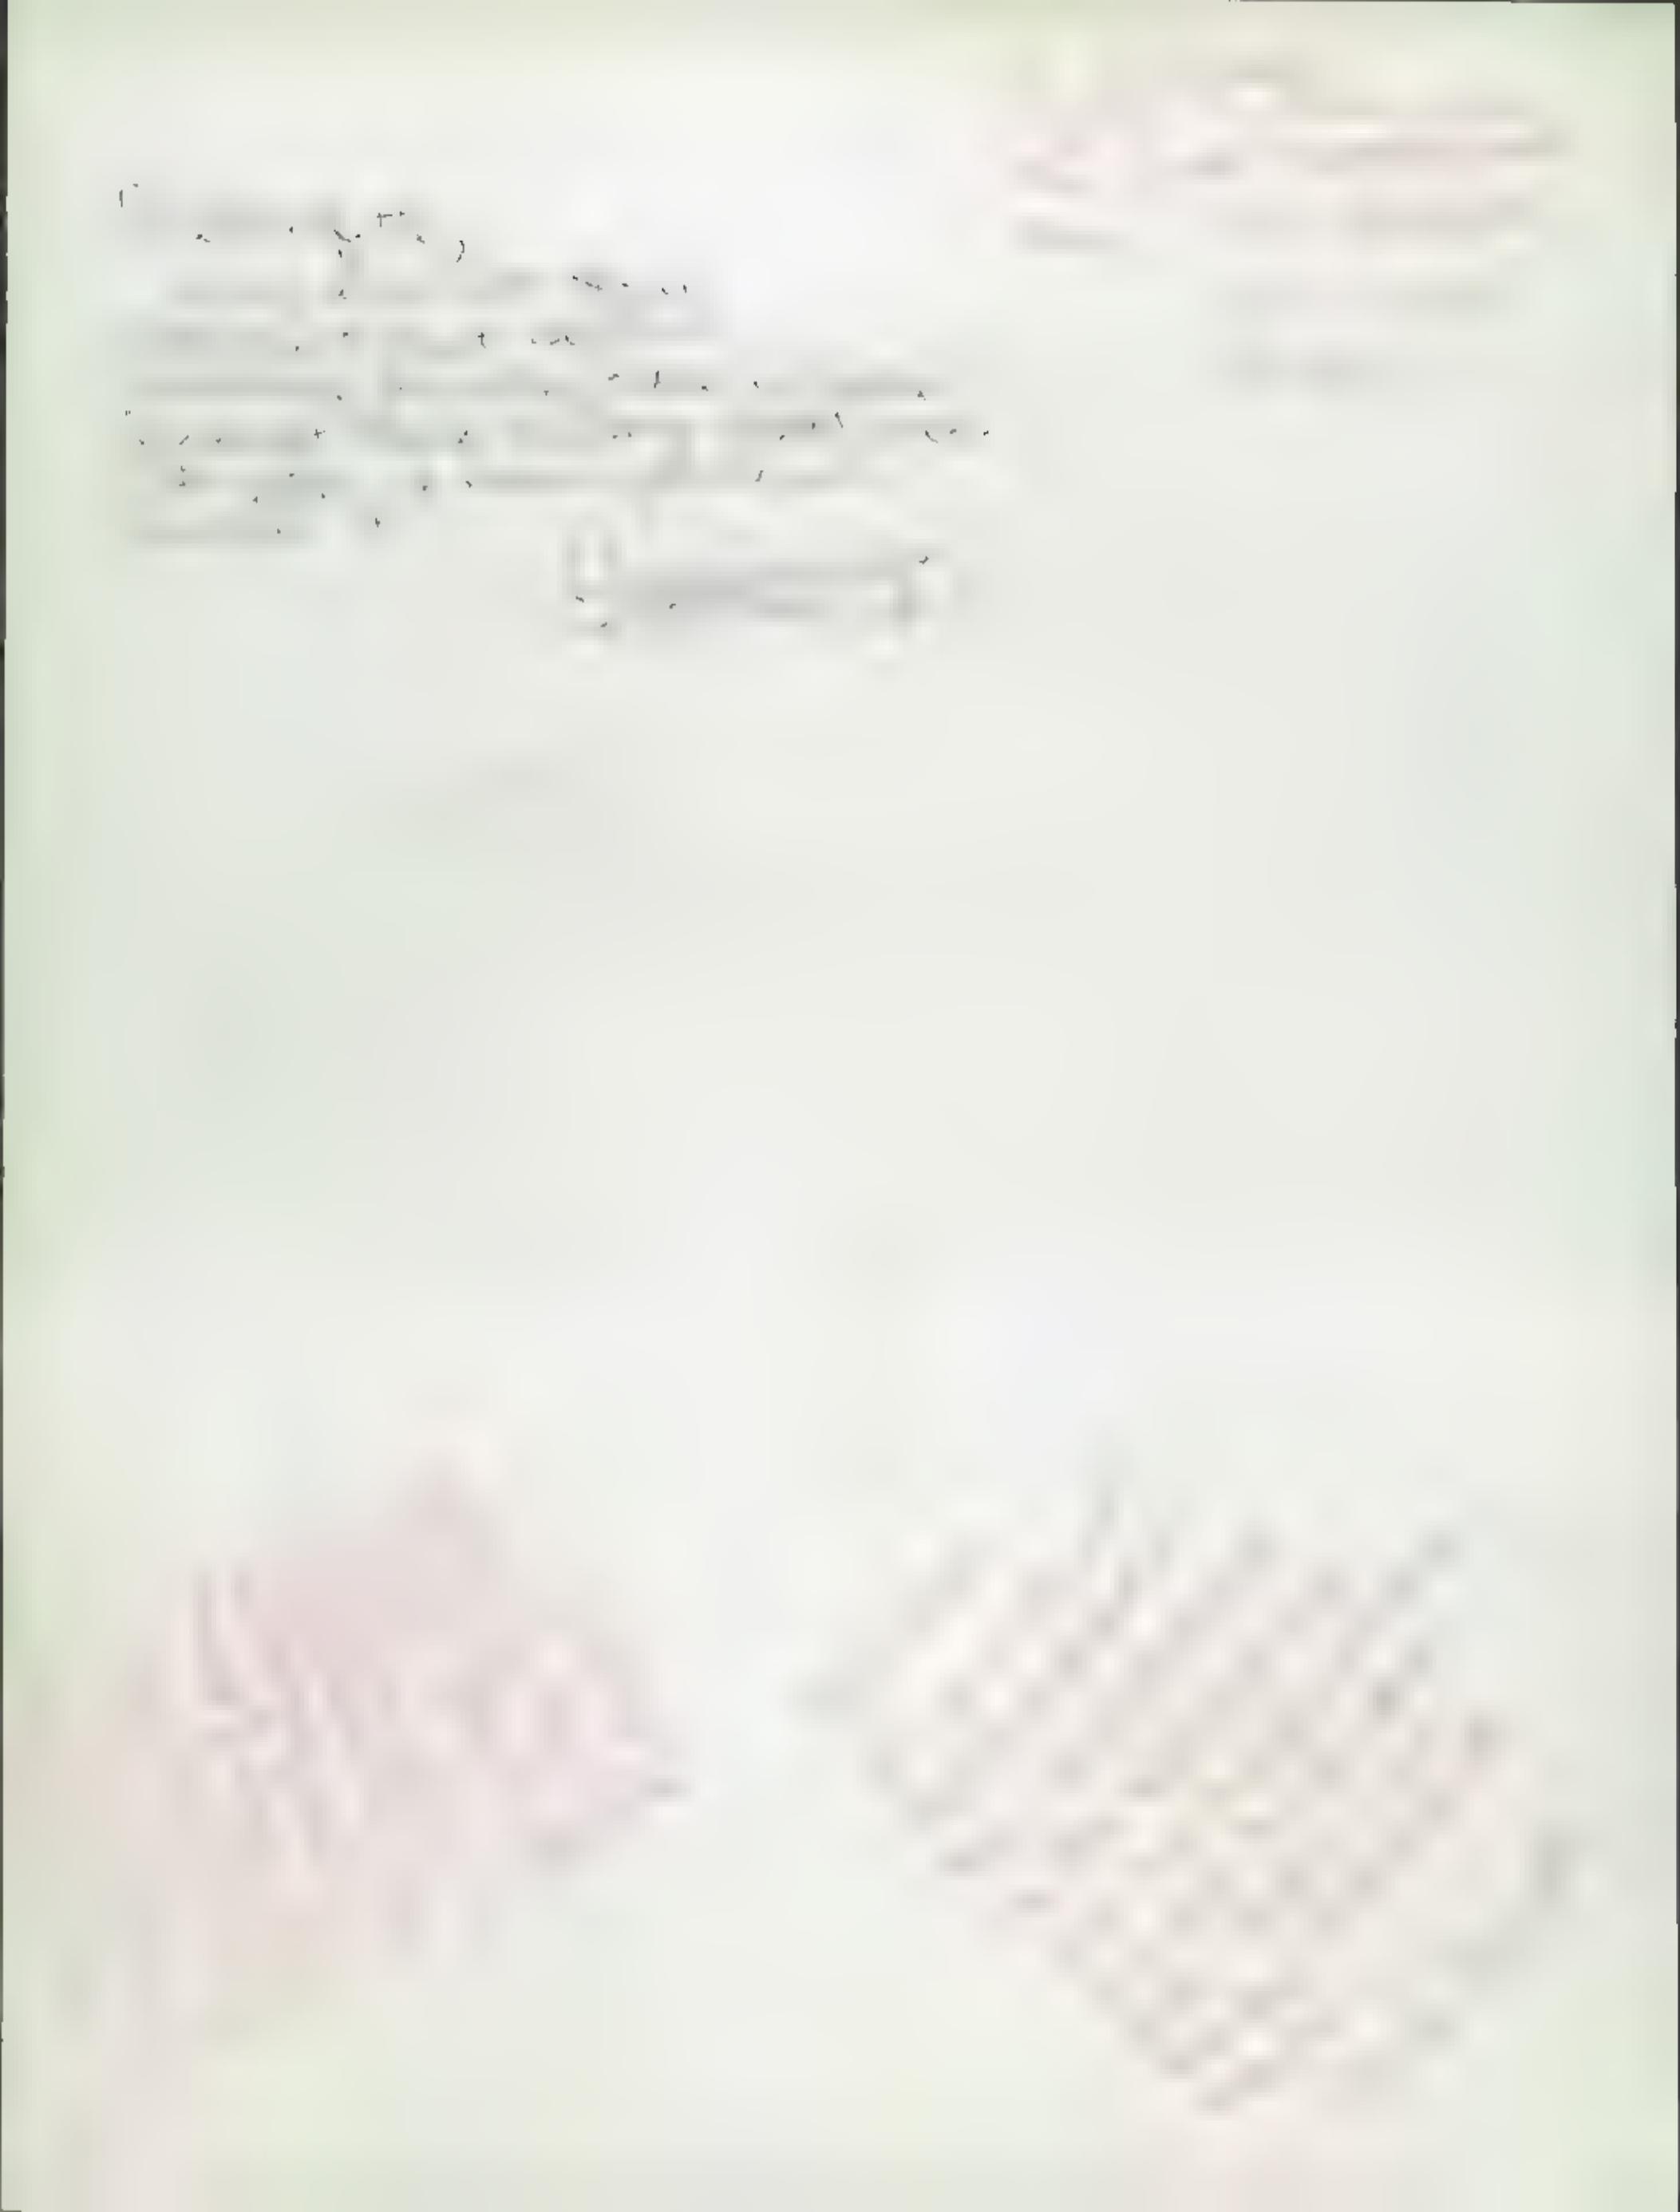

Sincerely,

Eva R. Lackson

Class Officers To Be Elected

Class elections will be held on October 1st.

Mr. Schlussel, the Dean of Students, hopes for a display of Royal spirit. Mr. Schlussel said, "If we do not have enough students running for class officers we will not have the campaign assembly."

From September 25th to the 27th, petitions will be in circulation around the campus.

The campaign assembly will be held on September 28th.

To be eligible to run for a class office one must have a "C" average and be an active member of the student body, which means one must have a student body card.

Senior and junior class offices will be held for the entire school year. Sophomore and freshman class offices will be held for one semester.

VICE PRES. AUSTIN

"At Overfelt I plan to participate in as many activities as possible," says Manuel Austin, student body vice president.

Manuel was an active member of the Andrew Hill student body last year and he participated in many activities. Among them were: Key Club president, Block H, football, wrestling, baseball and inter-club council.

"Unique" was the word many used to describe the campus at Overfelt.

Rally Set For Friday

William C. Overfelt High is starting off its first year with a big welcome rally given for the whole student body. It will be held this Friday of the school year in the Lick gym. "If the spirit of the student body is as good as the spirit of the students who have been working on activities this summer then no other school in the valley can compete with us," states Leonard Schlussel, Dean of Students at Overfelt.

Besides greeting everyone, the rally will prepare for the Newark-Overfelt varsity and "B" games on Saturday, September 15, at 6:00 p.m.

At the rally, the football teams (varsity, junior varsity, and "B's") will be introduced. The varsity

'Royal Kickoff' Planned for 28th

The new Overfelt High School and its football team are to be honored at the Royal Kickoff Dance. The dance will be from eight to eleven on Friday the 28th.

The Royal Kickoff Dance will be the first student body sponsored dance of the year and in the life of Overfelt, tickets will be on sale in the quad at the price of \$1.00 for couples and 75 cents stag. Students with student body cards will be admitted free.

Decorations, refreshments, hit records, and lots of fun, are to be on the scene here at Lick for the Royals who come and enjoy the "Royal Kickoff."

ASB CARDS ON SALE

Why not be an active member of the Overfelt student body? Buy a student body card for just \$8.00. This card entitles you to serve on committees, run for student body and class offices and participate in athletics and GAA.

Look what a bargain you are getting—admission to all football, basketball and track events; student body dances and the privilege to vote at class and school elections. So save money and have fun; buy a student body card.

coaches, Coach Craig and Coach Dombow will then present plans for the coming year.

The recently picked cheerleaders, Mary Ann Garcia, Linda Milligan, Linda Gurley, Claire Pulley, Joyce Blaser, and Vicki Blackburn, will introduce themselves and then join the new pom-pom girls, Caryl Brown, Alex Gonzales, Betty Ann Moura, Vivian Wilczak, Dolores Martinez, Jeanne Liserbee, and Peggy Tomberlin, with the presentation of the Royals' Fight Song and the Alma Mater.

G.A.A. To Meet

There will be a meeting during the second week of school for all girls interested in joining G.A.A. this year. The only requirements are that they have a student body card and are female. The course of this year's G.A.A. program is as yet uncertain.

Miss Borcello, head of the Overfelt P.E. department, is in charge of G.A.A.

and Lick's last year's football teams are All-City tackle Dan Ramey; All-City honorable mention quarterback, Jack Wool; half-back, Hal MacElroy; halfback, Roy Nishi; halfback, Ken Burk; tackle, Jeff Hornath; end, Ken Turner; end, Dennis Tosti; fullback, Mark Nichols, and guard, John Butcher; also new transfers, tackle, Don Burns and guard, Ed Ostrowski.

The squad is strong at quarterback, has good speed and is deep in the backfield generally.

NEW UNIFORMS

The home uniforms are: helmets, navy blue with white numerals, white pants with blue stripes, blue jerseys with white numerals.

Uniforms for away games will be made up of white jerseys with blue numbers and blue pants with white stripes.

Overfelt 

HARD TIMES IN THE LOCKER ROOM

By LYNNE CZUJ

As the worn and weary varsity of Overfelt tramps into their quarters in the girls' locker room after a hard day of practice, walls of horror are heard for thirteen miles around. It seems that these heroes of the football field are "slightly" perturbed about the lack of warm water for their showers. To quote an unnamed pigskinne, "How would you like to come in hot and sweaty off the

field to a shower of hailstones?"

Another complaint concerns the absence of towels for the athletes. We even observed some of the team sun bathing on the pool deck as last resort.

Curiosity gets the most of some sportsmen. Several guys were seen trying on swimsuits and other articles left in the girls' locker room, but most of their companions agreed that they look better on the girls.
